Sułkowski,Zdzisława Dacko-Pikiewicz,Katarzyna Szczepańska-Woszczyna,2025-07-31 This book invites readers on an  
intellectual journey where the great minds of philosophy intersect with contemporary organizational challenges With  
classical and modern philosophical thought as its backbone Philosophy and Management Great Minds and Organizational  
Ideas demonstrates that the most renowned thinkers in human history such as Aristotle Confucius and Nietzsche provide  
timeless wisdom for navigating the complexity of today s business environments Combining theoretical insights with practical  
applications this book presents philosophical frameworks as robust foundations for decision making conflict resolution and  
leadership strategies It explores crucial areas such as strategic management human resources ethics corporate governance  
and innovation challenging readers to explore management from a reflective and ethical perspective and shows how  
philosophy equips leaders to build resilient and morally responsible organizations which are essential in an age dominated by  
technological advancement and rapid societal changes The book fills a significant gap in management literature which often  
lacks deep philosophical reflection on organizational practices It draws on ancient modern and postmodern thought  
connecting these insights to current management theories thus making it an invaluable resource for both practitioners and  
scholars The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a
