of Construction Projects

Second Edition

John Kelly · Steven Male · Drummond Graham

WILEY Blackwell

The background of the cover features a complex, abstract graphic design. It consists of several overlapping, glowing green lines that curve and flow across the page. In the center, there is a circular structure made of a fine grid or mesh, which appears to be part of a larger, more intricate design. The overall color palette is dominated by various shades of green, from dark forest green to bright, almost white highlights, set against a dark, textured background.
