

SOCIAL VALUES

Social values refer to the values of a society or social group. These are the values that keep the society functioning and cohesive.

OVERVIEW

Social Values are the principles or standards that a group or society deems important and acceptable. They guide behavior and interactions within a society and often form the basis of social norms and laws. They are necessary to keep the society functioning smoothly and harmoniously. Examples include respect for others, honesty, and cooperation.

EXAMPLES

- **Honesty:** Honesty means telling the truth, but also avoiding deception and ensuring you are not misrepresenting facts.
- **Respect:** Respect refers to honoring others by treating them with dignity. To be respectful, we would aim to be polite, kind, and honor other people's wishes.
