Taking Root:

Taking Root Diana Kleyn, 2019-12-21 The picture of a plant taking root is used in the Bible to teach us the idea of conversion When someone's heart is turned from himself and his sinful ways to faith in Jesus and devotion to God it is like a plant which starts to shoot out roots into rich soil so that it can live and take nourishment There is no way for a plant to have life unless it takes root and there is no way for a person to have spiritual life unless God turns him or her out of the way of death and into the way of life The stories in this book have to do with plants taking roots But as you read through them you will not run across tales of flowers leaves and dirt as much as you will about spiritual plants in the garden of the Lord They are stories about how God gives people new spiritual life by rooting their hearts in the grace of His Son Jesus Christ Read these stories and take the time to ask God about causing your heart to take deep root into the life giving soil of Jesus
