and get along great with children and almost all other pets but only if you give them the right education from the start Having a miniature pig is a big responsibility You need to understand what the pig needs to become a happy pig If you understand mini pigs and you properly care for them you can become a good piggy parent This book will give you the information you need to make your pig happy and to make you a happy pig owner I hope you will have as much fun with your pigs as I have with mine Covered in this book Different types of mini pigs How big do they get Before you buy Knowing your facts Checklist House breaking Leash training Grooming Feeding Toys and recreation Health Daily care Safety and much more
