The Asian Americans Changing Patterns Changing Needs:

The Asian Americans, Changing Patterns, Changing Needs Bok-Lim C. Kim, 1978 **The Asian Americans, Changing Patterns, Changing Needs** Bok-Lim C. Kim, 1978 **In Defense of Asian American Studies** Sucheng Chan, 2005 Chan speaks by turns as an advocate an administrator a teacher working to give Asian American students a voice and white students a perspective on race and racism and a scholar and researcher still asking her own questions The essays span three decades closing with a piece on new challenges that face Asian American studies This volume combines analysis personal experience and practical advice indispensable to those engaged in building and sustaining programs in Asian American and ethnic studies *Mobilizing an Asian American Community* Linda Trinh Võ, 2004 Focusing on San Diego in the post Civil Rights era Linda Trinh V examines the ways Asian Americans drew together despite many differences within the group to construct a community that supports a variety of social economic political and cultural organizations Using historical materials ethnographic fieldwork and interviews Linda Trinh V traces the political strategies that enable Asian Americans to bridge ethnicity generation gender language and class differences among others She demonstrates that mobilization is not a smooth linear process and shows how the struggle over ideologies political strategies and resources affects the development of community organizations V also analyzes how Asian Americans construct their relationship with Asia and how they forge relationships with other racialized communities of color V argues that the situation in San Diego illuminates other localities across the country where Asians face challenges trying to organize find sufficient resources create leaders and define strategies **The Asian American Educational Experience** Donald Nakanishi, Tina Yamano, 2014-04-04 The contributions to *The Asian American Educational Experience* examine the most significant issues and concerns in the education of Asian Americans Contributors all leading experts in their fields provide theoretical discussions practical insights and recommendations historical perspectives and an analytical context for the many issues crucial to the education of this diverse population controversies in higher education over alleged admissions quotas stereotypes of Asian American students as whiz kids Asian Americans as the model minority bilingual education education of refugee and immigrant populations educational quality and equity Special emphasis is given to both the historic debates which have shaped the field and the concerns and challenges facing educators of Asian American students at both the K 12 and university level **Asian American Literature** Elaine Kim, 1982 An introduction to the literary works of Chinese Americans Japanese Americans Filipino Americans and Korean Americans this book focuses on the self images and social contexts of the nineteenth century immigrants their descendants and the Americanized writers of today Although the book examines the novels autobiographies poems and plays themselves the social history of Asians in American is a significant backdrop as Maxine Hong Kingston herself argues it should be These racially distinctive Americans have confronted in their lives and writings American stereotypes of the Oriental racial discrimination and the cultural gulf between East and West After a

chapter on Fu Manchu Charlie Chan and other Anglo American caricatures of Asians the author turns to a discussion of the first immigrant writers many of whom were educated aristocrats playing the role of cultural ambassadors and then to the less privileged more socially critical generations of writers who followed From works like Flower Drum Song Eat a Bowl of Tea The Woman Warrior China Men and a host of lesser known writings the author shows how portrayals of Chinatown the Japanese American family and the roles of all the Asian American women and men have changed Drawing on her personal interviews with Asian American writers Kim also conveys their attitudes towards their own group other Asian Americans other racial minorities and white Americans a complex mix of bitterness acceptance and militance Author note Elaine H Kim is Associate Professor of Ethnic Studies at the University of California Berkeley She directs the Korean Community Center of Oakland and Asian Women United California

Ethnicity and Family Therapy Monica McGoldrick, Joe Giordano, Nydia Garcia Preto, 2005-08-18 This widely used clinical reference and text provides a wealth of knowledge on culturally sensitive practice with families and individuals from over 40 different ethnic groups Each chapter demonstrates how ethnocultural factors may influence the assumptions of both clients and therapists the issues people bring to the clinical context and their resources for coping and problem solving

Asian Americans Pyong Gap Min, 2006 Compared to many existing texts on this subject which tend to take a rather historical approach this book focuses on more contemporary Asian experiences Thus Min has provided a new tool for those of use who have looked for adequate material to teach current Asian American trends in advanced undergraduate courses in the sociology of race as well as in ethnic studies Encompassing a variety of perspectives from prominent scholars makes this book a valuable device to examine the less visible aspects of Asian Americans lives Students and educators alike would certainly benefit from diligent study of this text

TEACHING SOCIOLOGY reviewed October 2006 by Etsuko Maruoka SUNY Stony Brook Offering a broad overview of the Asian American experience Asian Americans provides an accessible resource for all students interested in the expanding and important Asian American population While historical information is provided for each group the main focus is on the variables and issues that impact Asian American life today The scholars who author the chapters look at topics such as labor force participation and economic status educational achievements intermarriage intergroup relations and settlement patterns Photo essays help to enhance the presentations Key Features Covers the Asian American population as a whole as well as individual ethnic groups i e Korean Americans Indian Americans etc Covers theories as well as providing sociological data to illustrate issues for Asian Americans as a whole and as individual groups Visual essays on the following topics provide powerful illustrations of the text content Filipino Americans Japanese Americans Korean Americans Chinese Americans South Asian Americans Southeast Asian Americans Economic Adaptation Second Generation Experiences Updated to not only include information derived from 2000 Census data but also has a focus on the second generation experience

The Education of Asian and Pacific Americans Don T. Nakanishi, Marsha Hirano-Nakanishi, 1983 *Korean Social Science Journal* ,1997 **The Asian**

American Encyclopedia Franklin Ng,1995 Explores the experience of Asian immigrants and the communities which they and their descendants have created in the United States and offers information about the history language and culture of Asian Americans diverse countries of origin **Korean Immigrants in America** Won Moo Hurh,Kwang Chung Kim,1984

Transference and Empathy in Asian American Psychotherapy Jean Lau Chin,1993-05-24 The Asian American population is increasing rapidly and not unpredictably so are its mental health needs A number of cultural factors and stressors common to Asian Americans pose obstacles to the successful employment of Western psychotherapy approaches and counseling for example the central role of the family in Asian life and the culturally based traditional stigma associated with mental health problems The authors all practicing psychotherapists focus on the critical aspects of transference and empathy in their consideration of the mental health approaches and therapies appropriate to ethnic minority population The work has value as a resource for professionals and as a training guide for those intending to practice as psychotherapists and counselors in minority communities It offers extraordinary insights and practical guidance through the use of case studies Not only do these identify problems stemming from the racial differences between client and therapist but they also provide rich clinical examples of case diagnosis treatment plans and client status statements This is an important book that will further both the theory and practice of psychotherapy among minority populations *Developing in Two Languages* Sarah J. Shin,2005 An exploration of dual language development among Korean American children this book sheds light on some of the myths associated with bilingualism It argues that the bilingualism of linguistic minority children is a resource to be cultivated treasured rather than a problem to be overcome **Multicultural Assessment in Counseling and Clinical Psychology** James C. Impara,1996
