The Authenticity Of The Sacred Scriptures:

The Authenticity of the Sacred Scriptures Cornelius Hagerty, 1969 The Authenticity and Inspiration of the Holy Scriptures Robert Haldane, 2007-12-01 **Authenticity of the Sacred Scriptures** Lady of Massachusetts, 1829 *The Inspiration and Truth of Sacred Scripture* Pontifical Biblical Commission, 2014-11-15

In his 2009 post synodal apostolic exhortation *Verbum Domini* Pope Benedict XVI pointed out that theological reflection has always considered inspiration and truth as two key concepts for an ecclesial hermeneutic of the sacred Scriptures and that there is today the need for a fuller and more adequate study of these realities in order to better respond to the need of interpreting the sacred texts in accordance with their nature

The Inspiration and Truth of Sacred Scripture The Word That Comes from God and Speaks of God for the Salvation of the World is the contribution of the Pontifical Biblical Commission toward a more adequate understanding of the concepts of inspiration and truth that respects both the nature of the Bible and its significance for the life of the Church

Drawing on a close reading of the Scriptures themselves the document focuses on three main aspects

- 1 The inspiration of Sacred Scripture and the exploration of its divine provenance
- 2 The truth of the Word of God emphasizing the message about God and his project of salvation
- 3 Challenges that arise from the Bible itself on account of certain aspects that seem inconsistent with its quality of being the Word of God

Reading this document formally approved by Pope Francis will strengthen the reader to receive the word of God in the liturgical assembly and in every other place in its theological Christological soteriological and ecclesiological context in a way that corresponds ever more closely to this unique gift of God whereby God communicates his very self and invites us into communion with him
