The Devil In Velvet:

The Devil in Velvet John Dickson Carr, 2014-11-11 To solve a centuries old crime a man makes a deal with the devil The fantasy the murder and the historical action are all wonderful San Francisco Chronicle An aging scholar of Restoration history Nicholas Fenton has long dreamed of traveling into the past He has a date in mind May 10 1675 as well as a purpose to solve the murder case of the woman he loves his rakehell ancestor s lovely wife Obsessed with delivering her from danger he turns to an unlikely accomplice the devil After striking a bargain with the prince of darkness Fenton awakens in the seventeenth century in the much younger body of dashing Sir Nick Fenton In an era when gentlemen died by the blade Fenton is handy with a rapier and his knowledge of local history gives him a leg up on the swashbucklers who would have his hide But while his sword may help him rescue his beloved it will take more than that to save his soul Even in 1675 the devil is in the details

The Devil in Velvet John Dickson Carr, 1994 Nicholas Fenton a middle aged Cambridge history professor in the year 1925 literally sells his soul to the devil in exchange for traveling back in time to inhabit the body of his namesake who was a swordsman in the Court of King Charles II His primary motive for returning is to prevent the arsenic poisoning of Sir Nicholas s wife and second because he is bored with the twentieth century He falls in love with the intended victim and resolves to alter the course of history
