**This Awakening Generation** John H. Osteen, 1973      **This Awakening Generation** John Osteen, 1964-03      The Awakening Generation Bertha M. Mitchell, 2017-04-23 Praise God This book is about a NOW Generation that has awakened out of their slumber A Generation that is no longer lethargic but generated and excited for more and more of God Today s Generation is like none other this is the generation that is ready to go and live You too are a part of The Awakening Generation Do this knowing the time that it is already the hour for you to awaken from sleep for now salvation is nearer to us than when we believed Romans 13 11 King James Bible      The Fourth Turning William Strauss, Neil Howe, 2009-01-16 NATIONAL BESTSELLER Discover the game changing theory of the cycles of history and what past generations can teach us about living through times of upheaval with deep insights into the roles that Boomers Generation X and Millennials have to play now with a new preface by Neil Howe One of the best efforts to give us an integrated vision of where we are going The Wall Street Journal First comes a High a period of confident expansion Next comes an Awakening a time of spiritual exploration and rebellion Then comes an Unraveling in which individualism triumphs over crumbling institutions Last comes a Crisis the Fourth Turning when society passes through a great and perilous gate in history William Strauss and Neil Howe will change the way you see the world and your place in it With blazing originality The Fourth Turning illuminates the past explains the present and reimagines the future Most remarkably it offers an utterly persuasive prophecy about how America s past will predict what comes next Strauss and Howe base this vision on a provocative theory of American history The authors look back five hundred years and uncover a distinct pattern Modern history moves in cycles each one lasting about the length of a long human life each composed of four twenty year eras or turnings that comprise history s seasonal rhythm of growth maturation entropy and rebirth Illustrating this cycle through a brilliant analysis of the post World War II period The Fourth Turning offers bold predictions about how all of us can prepare individually and collectively for this rendezvous with destiny      Salvation with a Smile Phillip Luke Sinitiere, 2015-11-13 Joel Osteen the smiling preacher has quickly emerged as one of the most recognizable Protestant leaders in the country His megachurch the Houston based Lakewood Church hosts an average of over 40 000 worshipers each week Osteen is the best selling author of numerous books and his sermons and inspirational talks appear regularly on mainstream cable and satellite radio How did Joel Osteen become Joel Osteen How did Lakewood become the largest megachurch in the U S Salvation with a Smile the first book devoted to Lakewood Church and Joel Osteen offers a critical history of the congregation by linking its origins to post World War II neopentecostalism and connecting it to the exceptionally popular prosperity gospel movement and the enduring attraction of televangelism In this richly documented book historian Phillip Luke Sinitiere carefully excavates the life and times of Lakewood s founder John Osteen to explain how his son Joel expanded his legacy and fashioned the congregation into America s largest megachurch As a popular preacher Joel Osteen s ministry has been a source of existential strength for

many but also the routine target of religious critics who vociferously contend that his teachings are theologically suspect and spiritually shallow Sinitiere s keen analysis shows how Osteen s rebuttals have expressed a piety of resistance that demonstrates evangelicalism s fractured but persistent presence Salvation with a Smile situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success
