Jonson,2018-08-06 *Volpone or The Fox* Large Print By Ben Jonson He tells us that he took no degree but was later Master of Arts in both the universities by their favour not his study When a mere youth Jonson enlisted as a soldier trailing his pike in Flanders in the protracted wars of William the Silent against the Spanish Jonson was a large and raw boned lad he became by his own account in time exceedingly bulky In chat with his friend William Drummond of Hawthornden Jonson told how in his service in the Low Countries he had in the face of both the camps killed an enemy and taken opima spolia from him and how since his coming to England being appealed to the fields he had killed his adversary which had hurt him in the arm and whose sword was ten inches longer than his Jonson s reach may have made up for the lack of his sword certainly his prowess lost nothing in the telling Obviously Jonson was brave combative and not averse to talking of himself and his doings We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
