Studies In Legal Terminology:

Studies in Legal Terminology Ervin Hexner, 2018-07 These essays are an attempt to review in a fragmentary and simple manner certain relationships pertaining to those general concepts of legal terminology comparing some characteristic features of specific legal orders but avoiding the attempt to approach problems pertaining to any particular legal system Originally published in 1941 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

New Insights into the Semantics of Legal Concepts and the Legal Dictionary Martina Bajčić, 2017-04-12 This book focuses on legal concepts from the dual perspective of law and terminology While legal concepts frame legal knowledge and take center stage in law the discipline of terminology has traditionally been about concept description Exploring topics common to both disciplines such as meaning conceptualization and specialized knowledge transfer the book gives a state of the art account of legal interpretation legal translation and legal lexicography with special emphasis on EU law The special give and take of law and terminology is illuminated by real life legal cases which demystify the ways courts do things with concepts This original approach to the semantics of legal concepts is then incorporated into the making of a legal dictionary thus filling a gap in the theory and practice of legal lexicography With its rich repertoire of examples of legal terms in different languages the book provides a blend of theory and practice making it a valuable resource not only for scholars of law language and lexicography but also for legal translators and students

Handbook of Terminology Łucja Biel, Hendrik J. Kockaert, 2023-12-15 As a core component of legal language used to draft enforce and practice law legal terms have fascinated lawyers linguists terminologists and other scholars for centuries Third in the series this Handbook offers a comprehensive compendium of the current state of knowledge on legal terminology It is the first attempt to bring together perspectives from the domains of Terminology Translation Studies Linguistics Law and Information Technology in a single place This interdisciplinary endeavour comprises systematic reviews case studies and research papers which overview key properties of legal terms and concepts terminological tools and resources training aspects as well as translation in national contexts and multilingual organizations The Handbook attests to the complex multifaceted nature of legal terminology and showcases its cultural communicative cognitive and social contexts in diverse legal systems It is a rich resource for scholars practitioners trainers and students presenting vibrant research and practice in this area

Studies in Legal Terminology Ervin Paul Hexner, 1941 The central concept of this work is rules of law which the author discusses in various aspects The treatment of these various facets of the law is a mixture of Anglo American positivism German idealism

English Legal Terminology Helen Gubby, 2004 Legal English is a professional language This means that a good command of ordinary English does not automatically make a student proficient in legal English Many foreign law students in English

language programs experience problems when suddenly all their lectures textbooks discussions and written work have to be in English A lack of familiarity with legal English can seriously impede their progress And a command of legal English is not just a desirable academic skill It has become an absolute must for today s legal professionals working in internationally orientated law firms This book is designed for law students who have followed their law studies in a language other than English Textbooks on English law are too detailed for those who want to understand English legal terminology rather than English law itself Legal dictionaries are useful but as the words are ordered alphabetically terms are treated in isolation This book offers solutions to these problems

Legal Language and Business Communication Anurag K. Agarwal,2019-04-23 This book discusses the proper use of legal language in business communication While communicating a business leader has to bear in mind the relevant legal framework and be sure to never violate it However legal language in itself can be so complex and difficult that it is often unclear as to what meaning can be ascribed to different words and phrases used in a particular context Also while it s easy to say that there are certain limits to the law those limits are not readily visible to the uninitiated occasionally even experts flounder Exploring precisely these topics the book will be of interest to students of business law and business communication managers lawyers researchers practitioners and general readers alike

Studies In Legal Terminology Introduction

In today's digital age, the availability of Studies In Legal Terminology books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Studies In Legal Terminology books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Studies In Legal Terminology books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Studies In Legal Terminology versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Studies In Legal Terminology books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Studies In Legal Terminology books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Studies In Legal Terminology books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Studies In Legal Terminology books and manuals for download have

transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Studies In Legal Terminology books and manuals for download and embark on your journey of knowledge?
