

CASE STUDY

Regional Tourism

Overview

A Convention and Visitor's Bureau needed help with increasing tourism for sporting events, hiking and a historical museum. A grant had been won to provide funding, and this grant prohibited advertisements within a 100 mile radius, instead requiring reach beyond that within a reasonable drive radius. Research was completed by Amplified to determine which DMAs held the highest potential for family travel, and campaigns were built to reach families interested in travel for their top 3 DMAs.
