The Rationalization of Miracles Paolo Parigi,2012-05-14 During the Counter Reformation in southern Europe Catholic Church officials developed rules to legitimize miracles performed by candidates to sainthood The Rationalization of Miracles uncovers a tacit understanding between central religious officials and local religious activists Each group had a vested interest in declaring miracles Catholic Church leaders sought legitimacy in the wake of the crisis of faith created by the Protestant Schism and religious acolytes needed Church approval to secure a flow of resources to their movements The Church s new procedure of deeming miracles true when there were witnesses of different

statuses and the acts occurred in the presence of a candidate's acolyte served the needs of both parties. And by developing rules and procedures for evaluating miracles the Church rationalized the magic at the root of the miracles thereby propelling the institution out of a period of institutional political and social uncertainty and forming the basis of modern sainthood.

How can these old miracle stories speak good news to our lives in this time and place and invite our own healing and transformation along the way? Rev. Dr. Richard Simpson, Canon to the Ordinary, Assistant to the Bishop, Episcopal Diocese of Western Massachusetts. Amy Jill Levine is herself a sign and wonder, a sign that reading the New Testament through Jewish eyes is not just essential but revelatory and a wonder, as she always writes with verve, wisdom, humor, and rich insight. From friends who clear the way to a father who pleads for his daughter to sisters who
