## **The Message Proverbs:**

**The Message** Eugene H. Peterson, 1996      **Proverbs (Baker Commentary on the Old Testament Wisdom and Psalms)** Tremper III Longman, 2006-06-01 With Proverbs veteran Old Testament scholar Tremper Longman III offers an accessible commentary on one of Scripture's most frequently quoted and visited books. With his deft exegetical and expositional skill, the resulting work is full of fresh insight into the meaning of the text. In addition to the helpful translation and commentary, Proverbs considers theological implications of these wisdom texts as well as their literary, historical, and grammatical dimensions. Footnotes deal with many of the technical matters, allowing readers of varying interest and training levels to read and profit from the commentary and to engage the biblical text at an appropriate level. This built-in versatility has application for both pastors and teachers. This is the second volume in the Baker Commentary on the Old Testament Wisdom and Psalms series.

**The Message of Holiness** Derek Tidball, 2010-05-05 Derek Tidball surveys the Scriptures for a comprehensive biblical understanding of the elusive mandate from God to be holy as I am holy. The triune God of glory he contends sets us on paths that lead us through encounters with God ourselves, our enemies, and our companions to our ultimate destination where we discover that we have been reshaped by God into his own image.

**Your Signature Work** Dianna Booher, 2004-07-29 Are you bored in your job? Has the newness worn off so much so that you dread going to work every day? Have you ever felt as if your tasks, whether in a big organization or at home, just didn't really contribute to anything significant? Do you often speculate about how much more influence you could have if you worked in a more visible or critical role, like maybe a doctor, a pastor, a congressional representative? If so, then this book will inspire you to take a more reflective look at where you work, how you work, and who you influence. You'll explore challenges such as these: Finding the right job, Finding your calling in life, How to find purpose in life, Doing your best at work and what that looks like, practically speaking. As a companion to the earlier book *Your Signature Life* by the same author, *Your Signature Work* expands on the concept of doing your personal best at work so that it reflects your goals, values, beliefs, and faith. Using a sports analogy, basketball, this companion book will challenge you to see your tasks and job, whether parenting, building a forklift, stocking shelves, selling pharmaceuticals, or analyzing computer glitches, as an opportunity for leadership and service to others. As you strive for personal excellence, you'll identify ways to influence others in your workplace to live their values and faith. Even if you feel trapped in a dissatisfying job or a seemingly insignificant career, your work matters to God and to others in need. Your attitude can make all the difference in how you view your job and the results you achieve. When you find your true calling, your work will be a source of satisfaction and fulfillment. And as an artist does, you will be proud to sign your name to work.

Author and speaker Dianna Booher shares the same in-depth insights that she offers to churches and her Fortune 500 clients during keynotes and workshops. As founder and CEO of Booher Research, she's an internationally recognized leadership, communication, and executive presence expert. As the author of 49 books, she has published with Penguin Random House.
