## **The Middle Classes 1900-1950:**

**The Middle Classes, 1900-1950** Alan Arthur Jackson, 1991      **The Idea of the Middle Class** David Stuart Parker, 1995      [A Companion to the Modern American Novel, 1900 - 1950](#) John T. Matthews, 2013-03-25 This cutting edge Companion is a comprehensive resource for the study of the modern American novel. Published at a time when literary modernism is being thoroughly reassessed, it reflects current investigations into the origins and character of the movement as a whole. Brings together 28 original essays from leading scholars. Allows readers to orient individual works and authors in their principal cultural and social contexts. Contributes to efforts to recover minority voices such as those of African American novelists and popular subgenres such as detective fiction. Directs students to major relevant scholarship for further inquiry. Suggests the many ways that modern American and fiction carry new meanings in the twenty-first century.      **British Theatre and Performance 1900-1950** Rebecca D'Monte, 2015-02-26 British theatre from the first half of the twentieth century is undergoing a critical reevaluation with many high profile theatre revivals of plays from the period in recent years. This book explains why by an examination of the variety of work from this period and how it shaped what followed.      *The Idea of the Middle Class* David Stuart Parker, 1998 The first book on the middle class in early twentieth-century Latin America to be published in English in a generation. No social class has generated more controversy than the middle class and nowhere has that class been more controversial than in Latin America. Once believed not to exist, then later the great hope of the Alliance for Progress, the Latin American middle class is often blamed for not fulfilling the entrepreneurial, democratizing, progressive or stabilizing role that others ascribe to it. Yet never has a class so widely discussed been so little studied and so poorly understood. David Parker meets this challenge by combining the methods of social historians with attention to language and the cultural construction of meaning as he investigates how and why white-collar workers in Peru's offices, banks and stores began to define themselves as members of a distinct middle class. He traces the origins of this new class identity and shows the lasting impact the employees' drive for preferential treatment had on Peruvian law, politics and culture. This book provides a rich description of the lifestyle, values and attitudes of this rising middle class in their never-ending quest for economic stability, respectability and recognition in Peruvian society. Through a series of deftly drawn biographical profiles based on a variety of published and archival sources, Parker succeeds in personalizing and bringing alive his protagonists in a way that not only engages the reader but also reveals the importance of personal agency often lost in theoretically and ideologically driven studies of class.      [The Novel in England, 1900-1950](#) Robert L. Caserio, 1999 In the first half of the twentieth century, English fiction played a crucial role in the artistic and intellectual movement called modernism. In recent decades, however, modernism and its proponents have come under attack. Today's critics claim that modernist fiction has been socially and politically harmful and that literary modernism has fortunately been superseded by post-modernism.      **An Age of Criticism: 1900-1950** William Van O'Connor, 1952. Donated by Sydney Harris      **Fifty Years of**

**English Literature, 1900-1950** Rolfe Arnold Scott-James,1967      **Artha Vijnāna** ,2008      **Middle Eastern Cities, 1900-1950** Hans Chr. Korsholm Nielsen,Jakob Skovgaard-Petersen,2001 This volume elucidates the dramatic changes taking place in Middle Eastern cities during the first half of the 20th century During this period radical changes took place with the introduction of new public spheres and places and with these a new society emerged The focus of the contributions is on the development of these changes and how they were experienced and interpreted by the inhabitants of the cities and towns

**American Women Playwrights, 1900-1950** Yvonne Shafer,1995 This book presents an analysis of the many plays written by women in the American theatre in the first half of the century Such playwrights as Rachel Crothers Zona Gale Susan Glaspell Edna Ferber and Lillian Hellman were popular and successful contributors to the stage Many of their plays won such awards as the Pulitzer Prize the Drama Critics Circle Award and Tony Awards The plays are discussed in terms of their popular and critical value and placed within the historical and social background of the period In this time of intense change for women in American society the plays reflect the new demands for freedom careers the right to vote equality with men and the right to intellectual development Shafer calls attention to many fine plays which deserve production today
