The Traitor:

The Traitor's Contract Paul Mann,2013-11-01 The Falklands gave him a taste for killing Northern Ireland gave him a reason to turn traitor The IRA gave him the chance to kill again The Traitor s Contract offers non stop action when Jack Halloran a brilliant war hero turns traitor After a brutal attack on his counter intelligence organization Halloran knows he s being hunted It s fight or flight and Halloran never runs Teaming up with a rogue IRA boss he enacts a terrorist attack that will shake the world to its core *The Traitor's Niche* Ismail Kadare,2019-06-11 Kadare is inevitably linked to Orwell and Kundera but he is a far deeper ironist than the first and a better storyteller than the second He is a compellingly ironic storyteller because he so brilliantly summons details that explode with symbolic reality The New Yorker At the heart of the Ottoman Empire in the main square of Constantinople a niche is carved into ancient stone Here the sultan displays the severed heads of his adversaries People flock to see the latest head and gossip about the state of the empire the province of Albania is demanding independence again and the niche awaits a new trophy Tundj Hata the imperial courier is charged with transporting heads to the capital a task he relishes and performs with fervor As he travels through obscure and impoverished territories he makes money from illicit side shows offering villagers the spectacle of death The head of the rebellious Albanian governor would fetch a very high price indeed The Traitor s Niche is a surreal tale of tyranny and rebellion in a land where armies carry scarecrows state officials ban entire languages and the act of forgetting is more complicated than remembering Long listed for the 2017 Man Booker International Prize The name of the Albanian novelist Ismail Kadare regularly comes up at Nobel Prize time and he is still a good bet to win it one of these days He is seemingly incapable of writing a book that fails to be interesting The New York Times **The Traitor's Daughter** Paula Brandon,2011 Kidnapped on the way to her wedding only to discover that her estranged aunt is her abductor maidenlady Jianna Belandor learns that she is to be forcibly wed to her thuggish cousin so that her aunt can regain control of the family estate *The Traitor's Way* Sidney Kilner Levett-Yeats,1901 [The Traitor's Homecoming](#) Matthew E. Reardon,2024-08-15 Almost everyone is familiar with the name of at least one Revolutionary War battle Some like Lexington and Concord Bunker Hill Saratoga and Yorktown are household names Others are less well known but readily recognized when mentioned An engagement in Connecticut during the war s seventh year commanded by one of history s most infamous military names is not among them Matthew E Reardon has set out to rectify that oversight with The Traitor s Homecoming Benedict Arnold s Raid on New London Connecticut September 4 13 1781 By 1781 the war in North America had reached a stalemate That changed during the summer when the combined Franco American armies of Generals George Washington and Jean Baptiste comte de Rochambeau deceived British General Sir Henry Clinton into believing they were about to lay siege to New York City In fact they were moving south toward Yorktown Virginia in a bid to trap Lord Cornwallis s British army against the sea Clinton fell for the deception and dispatched former American general Benedict Arnold to attack New London Clinton hoped to destroy

the privateers operating out of its harbor and derail militia reinforcements and supplies heading from Connecticut to the allied armies outside New York City Situated in southeastern Connecticut New London was the center of the state's wartime naval activities State and Continental naval vessels operated out of its harbor which doubled as a haven for American privateers Arnold landed on September 6 and in a textbook operation defeated local militia took possession of the town harbor and forts and set New London's waterfront ablaze But that is not how it is remembered The Connecticut governor's vicious propaganda campaign against the British and Arnold who was already infamous for his treachery created a narrative of partial truths and embellishments that persist to this day As such most of the attention remains on the bloody fighting and supposed massacre at Fort Griswold There is much more to the story The Traitor's Homecoming uses dozens of newly discovered British and American primary sources to weave a balanced military study of an often forgotten and misunderstood campaign Indeed Reardon achieves a major reinterpretation of the battle while dismantling its myths Thirteen original maps and numerous illustrations and modern photographs flesh out this provocative and groundbreaking study [Sneak Peek for Seek the Traitor's Son](#) Veronica Roth,2026-03-17 An epic romantic dystopian fantasy begins in Seek the Traitor's Son from 1 New York Times bestselling author Veronica Roth Download a FREE sneak peek today Elogy Ahn did not ask for destiny to find her She is happy with her life as a soldier defending her small country from the Talusar a powerful nation who worships a deadly Fever A fever that blesses half of its victims with mysterious gifts But then she's summoned to hear a prophecy her and the most ruthless of Talusar generals Rava Vidar Brought face to face they learn that one of them will lead their people to victory over the other but they don't know which And at the center of both of their fates a man A man that Elogy is told she will fall in love with In just one day Elogy's old life her job her purpose and her future is over She and Rava are destined to collide with the fate of their nations hanging in the balance And when they do only one will be left standing Elogy intends to make sure it's her At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied [The Deceiver's Heart \(The Traitor's Game, Book Two\)](#) Jennifer A.
