## **Vampire Mom:**

Vampire Mom Linda Le'may,2015-03-17 This book is inspired by my crazy loving and misunderstood family with all the love from my heart I hope this book can make people understand the lonely heart can be a broken soul as well so take care and take care of those that are tender hearted as well **Sin City Vampire Mom** Cynthia Serenson,2012-01-01

**Vampire in the House!** Raymond Van Zleer,2010-01-04 SPOOKY COOL IN A MANNER DELIGHTFULLY TRUE TO LIFE VAMPIRE IN THE HOUSE A Vampire Romp For Readers Of All Ages What would living with a real vampire be like and how would the neighbors react For that matter how could this even come about These issues and more are delightfully covered in a realistic manner that will leave you thinking and smiling too Timely topics biting insights and people whose perspectives and views are enjoyable insightful and comfortably familiar all come to life when the Wynn family discovers that their daughter Julie is more than just different She is a vampire the real thing From home and family to doctors and politics to the controversies and public reactions this book offers an insider s view of what happened when the Wynn family had to deal with the realities of a Vampire In The House Excerpt So leave it to Tom to sum up the situation A mans home is supposed to be his castle but yours is in the garage and you cant use it cause a vampires sleeping in it I grinned back A vampires not vampire until it has a coffin Having lived with my sisters unsuccessful death for so long I was now more than just comfortable with gallows humor I was flaunting it At least when adults and parents could not overhear me So when Tom suggested Maybe we should build her one I countered My parents will skin us alive if we do and yours will too Then its a go You bet

**Vampire Husband and the American Justice** Paru Shiva,2014-05-19 This book is about a woman who had come to America from Kashmir India She had no knowledge about American culture or American Justice System She was married in India and her husband brought her to America In America her husband started abusing her Being culturally abound she kept taking abuse on daily basis and kept lying about her bruises and cuts to those who were asking her questions about her injuries Abuse got worst to the extent that one day her husband tried to kill her She gained her consciousness after couple of hours when her husband decided to dump her body in the park Somehow in the morning she managed to escape with her two children She went to a woman s shelter where she lived for six months In the shelter they insisted that she had to go to the court to get restraining order for her safety In that process her children were taken by the court and were given to that abusive man from whom they had a narrow escape She was forced to pay child support when she had not taken even a one cent from her home or from her husband after she left Her two children were given to their father because she was going to school Judge punished her and her two children for trying to establish their life Her Children suffered the most because of the Justice System I wrote this book for two reasons One reason is to tell my children especially my son that I am very sorry for taking my case to American Justice System because his father has kept him in fear Even my son is adult now but his father is still treating my son like he was treating me and my son is kept in a lot of fear stress and extreme tension His father

didn't let him complete his education. If he had encouraged my son to complete his education, then he wouldn't be able to control my son's life. That is tearing my heart every day. And second reason is that I want to help a Battered Woman and their children by telling them my story. I was a very private person, but that didn't help me. Every battered woman of this country should know that when a man hits his wife, it is not love. It is a danger sign. Figure out on time about safety zones for self and for children. My story will guide them to be strong enough to help their children.
