Son Of God:

The Son of God Charles Lee Irons, Danny Andre Dixon, Dustin R. Smith, 2015-12-04 This is a multi view book in which representatives of differing viewpoints make a positive statement of their case followed by responses from the others and concluding with a rebuttal by the original author The topic at hand in this book is the identity of Jesus also known as Christology What is the meaning of Jesus s identity as the Son of God Charles Lee Irons argues that the title Son of God denotes his ontological deity from a Trinitarian perspective Danny Andre Dixon and Dustin R Smith challenge this view from two different non Trinitarian viewpoints Smith argues that Jesus is the authentically human Son of God the Davidic Messiah who did not possess a literal preexistence prior to his virgin birth Dixon argues that Jesus is God s preexistent Son in the sense that God gave him life or existence at some undefined point prior to creation The authors engage the topic from the perspective that reverences the authority and inspiration of Scripture as the final arbiter of this debate The literature of early Judaism is also engaged in order to try to understand the extent to which the New Testament s Christology may have been influenced by or operated within the context of Jewish conceptions of divine secondary beings as agents of God *Jesus the Son of God* D. A. Carson, 2012 Although it is a foundational confession for all Christians much of the theological significance of Jesus s identity as the Son of God is often overlooked or misunderstood Moreover this Christological concept stands at the center of today s Bible translation debates and increased ministry efforts to Muslims New Testament scholar D A Carson sheds light on this important issue with his usual exegetical clarity and theological insight first by broadly surveying Jesus s biblical name as the Son of God and then by focusing on two key texts that speak of Christ s sonship The book concludes with the implications of Jesus s divine sonship for how modern Christians think and speak about Christ especially in relation to Bible translation and missionary engagement with Muslims across the globe

Son of God Garrick V. Allen, Kai Akagi, Paul Sloan, Madhavi Nevader, 2019-03-04 In antiquity son of god meaning a ruler designated by the gods to carry out their will was a title used by the Roman emperor Augustus and his successors as a way to reinforce their divinely appointed status But this title was also used by early Christians to speak about Jesus borrowing the idiom from Israelite and early Jewish discourses on monarchy This interdisciplinary volume explores what it means to be God s son s in ancient Jewish and early Christian literature Through close readings of relevant texts from multiple ancient corpora including the Hebrew Bible the New Testament the Dead Sea Scrolls Greco Roman texts and inscriptions early Christian and Islamic texts and apocalyptic literature the chapters in this volume engage a range of issues including messianism deification eschatological figures Jesus interreligious polemics and the Roman and Jewish backgrounds of early Christianity and the authors of the Dead Sea Scrolls The essays in this collection demonstrate that divine sonship is an ideal prism through which to better understand the deep interrelationship of ancient religions and their politics of kingship and divinity In addition to the editors the contributors to this volume include Richard Bauckham Max Botner George J Brooke Jan Joosten Menahem Kister Reinhard Kratz Mateusz

Kusio Michael A Lyons Matthew V Novenson Michael Peppard Sarah Whittle and N T Wright [The Gospel of the Son of God](#) David R. Bauer,2019-11-19 From beginning to end the Gospel of Matthew emphasizes that Jesus is the Son of God In this comprehensive introduction to Matthew David Bauer presents a holistic inductive approach with a literary theological and canonical focus Exploring issues of genre interpretive methods authorship audience and literary structure he also guides readers through interpretation and emerging theological themes **THE MEANING OF SON OF GOD (IUM PRESS)** UNGARAN RASHID,2021-03-16 The Meaning of Son of God provides a Biblical interpretation of the term son of God The term interpreted in a different way by the Christians and the Christian s explanation on this term responded by Muslim through Islamic view which considered as a mistake in term of faith As a result there is a misunderstanding between Christian and Muslims concerning the term son of God *Jesus, Son of God?* Edward Schillebeeckx,Johann Baptist Metz,1982 *Jesus, Son of God, Son of Mary, Immanuel* Donald J. Goergen,2003-09-04 **The Sons of God in Genesis 6:1-4** J.J.T. Doedens,2019-03-19 In The Sons of God in Genesis 6 1 4 Jaap Doedens offers an overview of the history of exegesis of the enigmatic text about the sons of God the daughters of men and the giants First he analyzes the text of Gen 6 1 4 Subsequently he tracks the different exegetical proposals from the earliest exegesis until those of modern times He further provides the reader with an evaluation of the meaning of the expression sons of God in the Old Testament and the Ancient Near East In the last chapter he concentrates on the message and function of Gen 6 1 4 This volume comprehensively gathers ancient and modern exegetical attempts providing the means for an ongoing dialogue about this essentially complex and elusive passage **The Son of God in the Roman World** Michael Peppard,2011-08-29 The author examines the social and political meaning of divine sonship in the Roman Empire He analyzes the conceptual framework within which the term son of God has traditionally been considered in biblical scholarship Then through engagement with recent scholarship in Roman history he offers new ways of interpreting the Christian theological metaphors of begotten and adoptive sonship He focuses on social practices and political ideology revealing that scholarship on divine sonship has been especially hampered by mistaken assumptions about adopted sons **The Gospel of the Son of God** James M. Neumann,2023-10-19 James M Neumann proposes that there is far more at work in Mark s portrayal of Jesus as Son of God and what it means for Mark to depict him as such than past scholarship has recognized He argues that Mark presents Jesus s life from beginning to end as the actualization of Psalm 2 a coronation hymn describing the Davidic king as God s son which was interpreted messianically in early Judaism and christologically in early Christianity Rather than a simple title the designation of Jesus as God s Son in Mark contains and encapsulates an entire story of its own Beginning with an analysis of why this most important identity of Jesus in the Gospel has been under studied Neumann retraces the interpretive traditions surrounding Psalm 2 in early Judaism and Christianity alike Pointing to Mark s first introduction of Jesus as God s Son into the narrative via an allusion to Ps 2 7 and portraying his baptism as a royal anointing he demonstrates how Jesus begins to realize the implications of his

anointment through his disestablishment of Satan's kingdom. Focusing on the repetition of the allusion to Ps 2:7 at Jesus's transfiguration and exploring how the Parable of the Vineyard uniquely encapsulates the Gospel as a whole, Neumann traces the use of the psalm throughout the Markan passion narrative, contending that in Mark's vision the hope envisaged by the psalm has been realized: the Son begins to inherit the worship of the nations. He concludes that Mark paradoxically portrays the accomplishment of the Messiah's victory through Jesus's crucifixion.

Son of God Christopher Bryan, 2023. Christianity spread into the Roman Empire. But it started with the words and works of Jesus of Nazareth in Galilee, which was a client state of the empire. Being a client state meant, of course, that Galilee was by no means unaffected by Rome. Herod Antipater, the Tetrarch known as Antipas, ruled at Rome's pleasure and paid tribute to Rome for the privilege. It is hard to imagine Jesus of Nazareth and his compatriots were not aware of this. Nevertheless, Antipas did rule in Galilee and that had consequences. He was at least ostensibly an observant Jew. He went up to Jerusalem for the major festivals. He minted his own coins, which adhered to the Jewish anti-iconic tradition, featuring only floral decoration and were not offensive to Jewish sensibilities. He collected his own taxes, then paying his own tribute directly to Rome. He had his own army, contrary to the pictures beloved of Hollywood. Galilee was not at this period filled with Roman soldiers marching all over the place.

The Son of God Karl Adam, 1934. The most startling claim ever made by any religious body is the belief of the Catholic Church that Jesus Christ is divine: that He was born of a human being and that He became true man with a true human soul and true human body with the two natures, divine and human, united in one person. The implications of such a claim are staggering, and upon it is based the whole Christian belief. If Christ is not God, then Christianity is merely a body of ethical teaching; if He is God, then Christianity is unquestionably the true religion.

The Son of God and the New Creation Graeme Goldsworthy, 2015-06-15. Truly, this was the Son of God. Matthew 27:54. The theme of divine sonship stretches across the pages of the Bible, from Adam in the garden of Eden through the nation of Israel and King David and ultimately to Jesus Christ in the New Jerusalem, the Son of God par excellence. In this volume, renowned biblical scholar Graeme Goldsworthy shows what Christ's fulfillment of the divine sonship motif means for all who are sons and daughters of God. Part of the Short Studies in Biblical Theology series.

Is Jesus the Son of God? P. Zainul Abideen, 2000. A critical study on the Godship of Jesus Christ, argues with the help of verses from the Bible and Koran.

Is Jesus The Son of God? P. Zainul Abideen. In the name of the Lord, the most Merciful and Beneficent, Jesus was a Prophet and one of those reformists who propagated that Allah is the one and only God whom alone men should worship. So do the Quran and the Prophet Mohammed (PBUH) describe Jesus. Therefore, it is obligatory on the Muslims to believe in it. Christians who have faith in Jesus and believe in him as the God and the son of God, as well, worship him as much. What exactly is the inference regarding the status of Jesus, whom the two great religions of the world believe in? It is indeed our right and duty too to analyse and discern the truth. It is especially so at such a juncture of the century when

Christians are earnestly endeavouring to goad the Muslims to believe that Jesus is undoubtedly the son of God by interpreting to their own end the various Quranic verses where Jesus is being eulogized by God. A scrutiny of the Bible and the Quran without prejudice will convince even those with inadequate knowledge of the two great scriptures that there cannot be a son of God. While there are ample evidences leading to such a decisive conclusion the Christian brethren who are misled by the clergy believe in the theory of Son of God thereby forgoing the chance to attain salvation in the hereafter. By quoting freely from the Bible itself I have brought to light the fact that Jesus is not the Son of God but on the other hand he was one of the great Prophets of God. The Christian brethren who peruse this book unbiasedly without any like or dislike whatsoever will certainly discern the truth that Jesus was a saintly Prophet of God. I do therefore hope and pray that they will no more consider him as God or Son of God. Amen
