*The Message of Daniel* Dale Ralph Davis, 2024-04-02 In this Bible Speaks Today volume former pastor and professor Dale Ralph Davis explains the background of Daniel analyzes the stories and visions within it and sifts through interpretative issues While acknowledging the challenges of the book Davis reveals how it offers a realistic manual for the saints in the present day

**Hearing the Message of Daniel** Christopher J. H. Wright, 2017-02-28 In many corners of the world these days the climate of hostility hangs over any overt Christian faith commitment Any kind of Christian commitment is now assumed to imply intolerance and often prompts reactions that range from a low grade hostility and exclusion in the West to the vicious and murderous assaults on Christian believers in Pakistan Nigeria Kenya Egypt Syria and Iraq and elsewhere Such issues are not new Christians have faced them ever since Nero's lions and even before that Jews also have faced the same questions all through their history most tragically sometimes enduring horrendous persecution from states claiming to be Christian So it is not surprising that the Bible gives a lot of attention to these questions The book of Daniel tackles the problem head on both in the stories of Daniel and his friends and in the visions he received A major theme of the book is how people who worship the one true living God the God of Israel can live and work and survive in the midst of a nation a culture and a government that are hostile and sometimes life threatening What does it mean to live as believers in the midst of a non Christian state and culture How can we live in the world and yet not let the world own us and squeeze us into the shape of its own fallen values and assumptions The book was written to encourage believers to keep in mind that the future no matter how terrifying it may eventually become rests in the hands of the sovereign Lord God and in that assurance to get on with the challenging task of living in God's world for the sake of God's mission

*The Book of Daniel*, 2008 Although the book of Daniel was written 2 500 years ago it contains God's message especially for the present time However it is about more than just an earthly battle between world powers Before our very eyes a cosmic battle between good and evil is being played out Daniel's vision of the end shall be hope for all Christians who take the message of the bible seriously

**The Message of Daniel** Ronald S. Wallace, 1993 *The Message of Daniel* Ronald S. Wallace, 1984-08-13 God had allowed the unthinkable to happen His people were in exile in Babylon His promises seemed shattered Was God really in control Was he still faithful Did he still care One young man Daniel affirmed that he did It was not without struggle and it cost him to do so But echoing through the centuries of history and resounding from the future that was revealed to him came the proclamation The Lord is King even in Babylon Parts of the book of Daniel have always been popular the exciting stories of three men in a fiery furnace Daniel in the den of lions and the strange handwriting on the wall which struck terror in the heart of the Babylonian king But beyond the drama the modern reader faces the enigmatic prophecies of the future What do they mean Were they for Daniel's near future or for ours Ronald S Wallace cuts through these difficulties and exposes the background and message of Daniel for both his day and ours

*The message of daniel* Ronald S. Wallace,1979      **God's Unfailing Purpose** Michael P. V. Barrett,2016-03-01 This is often the question of skeptics scoffers and even troubled souls Trials and tribulations of one sort or another crowd our personal lives while corruption conflict and catastrophe command the world scene Indeed where is God in all of this Asking the question is fair enough Answering demands caution God's Unfailing Purpose The Message Of Daniel is a cautious and biblical answer to that question This book focuses on the heavenly throne from which God rules according to His perfect will and unchangeable unfailing purpose God is in absolute control of all things the big issues of the world as well as the seemingly bigger issues of our lives Daniel's view of history and prophecy shows that God's kingdom is coming and that God's will is being done on earth as certainly as it is in heaven Daniel's message is simply Not to worry everything is under control      The Message of Daniel Arthur Petrie,1947      **The Preacher's Commentary - Vol. 21: Daniel** Sinclair B. Ferguson,2004-07-13 Written BY Preachers and Teachers FOR Preachers and Teachers Combining fresh insights with readable exposition and relatable examples The Preacher's Commentary will help you minister to others and see their lives transformed through the power of God's Word Whether preacher teacher or Bible study leader if you're a communicator The Preacher's Commentary will help you share God's Word more effectively with others This volume on Daniel maintains a careful balance between exposition illustration and application while offering guidance through the complex maze of Daniel's life and thoughts Each volume is written by one of today's top scholars and includes Innovative ideas for preaching and teaching God's Word Vibrant paragraph by paragraph exposition Impelling real life illustrations Insightful and relevant contemporary application An introduction which reveals the author's approach A full outline of the biblical book being covered Scripture passages using the New King James Version and explanations The Preacher's Commentary offers pastors teachers and Bible study leaders clear and compelling insights into the Bible that will equip them to understand apply and teach the truth in God's Word      The Book of Daniel from the Christian Standpoint John Kennedy,1898      Interpreting Daniel for Preaching and Teaching Thomas J. Finley,Brandon R. Cash,2024-01-24 Daniel is a book intended to be read thoroughly from beginning to end The final verse 12:13 promises a restoration of what was lost in the first two verses 1:1-2 Between these bookends with artistic flare historical accuracy and apocalyptic hope Daniel encourages readers that God was is and always will be in control The book's portrayal of God its rich theology and its contribution to the spiritual formation of God's people influenced Jesus the New Testament writers and the early church and it deserves a place of prominence in the church today With substantive exegesis clear exposition and relevant teaching outlines Interpreting Daniel for Preaching and Teaching helps preachers and teachers to unpack Daniel's significance for the church today      **The Message of Daniel 7:9-14 in Its Historical Context** Steven Grande,1994      **The Visions of Daniel the Hebrew Prophet** Robert Johns,2012 For centuries controversy has raged over the authorship and genuineness of the book of Daniel Is it an authentic document from the sixth century before the Common Era with a message from God to postexilic Israel or is it a forged document

written centuries later to encourage Israelites being oppressed by the Seleucid king Antiochus Epiphanes Robert Johns addresses these issues and more in his thesis on Daniel s visions Importantly Johns establishes when Daniel was provided with his visions and he defines why God provided Daniel with the visions The Visions of Daniel the Hebrew Prophet examines the metal image the beast with eleven horns the Seventy sevens chapter eight s little horn and the 2 300 evening mornings It demonstrates that the enigmatic 1 290 days and 1 335 days are anything but enigmatic and it identifies the reason why Daniel s fifth and final revelation is so detailed Appendices address issues of general nature such as the historicity of Jesus the Christ the popularity of dispensationalism the identity of the abomination that desolates and the integrity of novels representing the Christian fiction genre which focus on a seven year tribulation period at the end of history This book will be of value to every Christian who has an interest in Bible prophecy and eschatology **God Cares** C.
