Edward Alphonsus Hagan

Utterly Monkey:

Utterly Monkey Nick Laird, 2010-06-09 Danny Williams didn't mean to be a lawyer but somehow he is and for up to eighteen hours a day He's well paid home owning and twenty seven but is also overworked lonely and frequently stoned The plan was to leave the troubles of a small town in Northern Ireland for the big city in England but one evening an old school friend Geordie bursts into Danny's shiny new life On the run from a Loyalist militia Geordie brings everything Danny thought he had left behind and dumps it on his doorstep With infectious wit and energy to burn Utterly Monkey is a searing fiercely funny and ultimately redemptive novel about surviving an office job outwitting the bad guys and hopefully getting the girl

Goodbye Yeats and O'Neill Edward Alphonsus Hagan, 2010 Goodbye Yeats and O'Neill is a reading of one or two books recently written by the following major authors Roddy Doyle Colm Tóibín John McGahern William Trevor Seamus Deane Nuala O Faolain Patrick McCabe Colum McCann Nick Laird Gerry Adams Claire Boylan Frank McCourt Tim O'Brien Michael Patrick MacDonald Alice McDermott Edward J Delaney Beth Lordan William Kennedy Thomas Kelly and Mary Gordon The study argues that farce has been a major mode of recent Irish and Irish American fiction and memoir a primary indicator of the state of both Irish and Irish American cultures in the early twenty first century *Zadie Smith* Tracey

Walters, 2013-08-01 Zadie Smith made a huge splash in 1997 when as a college student she received one of the largest advances in British history for her novel *White Teeth* Since then Smith has published four major novels a volume of essays and many short stories She has become a college professor an award winner and an influential critic of both literature and the current political scene Readers of Zadie Smith will learn about how insecure and outside of society she felt as a child and young woman and how that very sense of being an outsider transformed her into the writer of clarity she is today Modern

Gods Nick Laird, 2017-06-27 A powerful novel about two sisters who must reclaim themselves after their lives are dramatically upended from an award winning author with a wonderfully original and limber voice The New York Times Nick Laird's kinetic prose full of insight about politics history and religion dazzles eye and ear The New York Times Book Review Nick Laird takes two experiences poles apart and unites them in gorgeous language with fierce tenderness Dave Eggers author of *Heroes of the Frontier* Alison Donnelly has suffered for love Still stuck in the small Northern Irish town where she was born working for her father's real estate agency she hopes a second marriage will help her get her life back together Her sister Liz a fiercely independent professor who lives in New York City is about to return to Ulster for Alison's wedding before heading to an island off the coast of Papua New Guinea to make a TV show about the world's newest religion Both sisters hope to write their own futures but the past has other ideas Alison wakes up the day after her wedding to find that her new husband has a past neither of them can escape While Liz in a rainforest on the other side of the planet finds herself increasingly entangled in the eerie charged world of Belef the charismatic middle aged woman she has come to film the leader of a cargo cult As *Modern Gods* ingeniously interweaves the stories of Liz and Alison it becomes clear that both sisters

must learn how to negotiate with the past with the sins of fanaticism and decide exactly what the living owe to the dead Laird's brave innovative novel charts the intimacies and disappointments of a family trying to hold itself together and the repercussions of history and belief Elle, 2006 **History is Mostly Repair and Revenge** Liliana Sikorska, 2010 Papers presented at a symposium organized by the Dept of English Literature and Literary Linguistics School of English Adam Mickiewicz University in Poznaan **New Statesman**, 2005 **A History of Irish Autobiography** Liam Harte, 2018-03-01 A History of Irish Autobiography is the first ever critical survey of autobiographical self representation in Ireland from its recoverable beginnings to the twenty first century The book draws on a wealth of original scholarship by leading experts to provide an authoritative examination of autobiographical writing in the English and Irish languages Beginning with a comprehensive overview of autobiography theory and criticism in Ireland the History guides the reader through seventeen centuries of Irish achievement in autobiography a category that incorporates diverse literary forms from religious tracts and travelogues to letters diaries and online journals This ambitious book is rich in insight Chapters are structured around key subgenres themes texts and practitioners each featuring a guide to recommended further reading The volume's extensive coverage is complemented by a detailed chronology of Irish autobiography from the fifth century to the contemporary era the first of its kind to be published Journal of Zoophily, 1892 The Thinker, 1893 **Man's Place in Nature and Other Essays** Thomas Henry Huxley, 1910 Syllabus Series University of California (System), 1920 Human Biology and Racial Welfare Edmund Vincent Cowdry, 1930 **Lectures and Essays** Thomas Henry Huxley, 1908 **Chambers's Encyclopaedia** Robert Chambers, 1879 Five Lectures on the Problem of Mind Gustavus Watts Cunningham, 1925 Pagan Races of the Malay Peninsula: pt. 3.
