

THE VANISHED LIBRARY

A Wonder of the Ancient World

LUCIANO
CANFORA

Vanished Library

KJ Lindholm-Leary

Vanished Library:

The Vanished Library Luciano Canfora,1990-08-29 Recreates the world of ancient Egypt describes how the Library of Alexandria was created and speculates on its destruction [The Vanished Library](#) Luciano Canfora,1991 **Lost Libraries** J. Raven,2004-01-31 This pioneering volume of essays explores the destruction of great libraries since ancient times and examines the intellectual political and cultural consequences of loss Fourteen original contributions introduced by a major re-evaluative history of lost libraries offer the first ever comparative discussion of the greatest catastrophes in book history from Mesopotamia and Alexandria to the dispersal of monastic and monarchical book collections the Nazi destruction of Jewish libraries and the recent horrifying pillage and burning of books in Tibet Bosnia and Iraq [The Library of Alexandria](#) Roy MacLeod,2005-01-14 The Library of Alexandria was one of the greatest cultural adornments of the late ancient world containing thousands of scrolls of Greek Hebrew and Mesopotamian literature and art and artefacts of ancient Egypt This book demonstrates that Alexandria became through the contemporary reputation of its library a point of confluence for Greek Roman Jewish and Syrian culture that drew scholars and statesmen from throughout the ancient world It also explores the histories of Alexander the Great and of Alexandria itself the greatest city of the ancient world This new paperback edition offers general readers an accessible introduction to the history of this magnificent yet still mysterious institution from the time of its foundation up to its tragic destruction [The End That Does](#) Cathy Gutierrez,Hillel Schwartz,2014-12-18 Millennial movements have had a significant impact on history and lie behind many artistic and scientific views of the world The End that Does tracks the interplay of the arts sciences and millennial imagination across 3000 years The volume presents essays ranging across the study of ancient ritualistic sacrifice utopian technology and the American millennial dream science fiction and the apocalypse of the tabloids The End that Does will be invaluable to any student or scholar interested in the history of millennialism [The Anglo-Saxon Library](#) Michael Lapidge,2006 This invaluable study sets out the evidence for the nature and holdings of libraries in Anglo Saxon England from the sixth century to the eleventh It is furnished with appendices which include editions of all surviving Anglo Saxon book inventories lists of those manuscripts exported from and imported into Anglo Saxon England and a catalogue of all classical and patristic works cited by Anglo Saxon authors The volume is concluded by a comprehensive index combining the evidence of inventories surviving manuscripts and citations of all classical and patristic writings known in England before 1100 **Leonardo's Fables** Giuditta Cirnigliaro,2022-12-28 Leonardo's Fables explores the compositional methods and sources of Leonardo's fables and their relationship to illustrations and scientific studies By concentrating on the chaotic character of Leonardo's textual and visual annotations the author gradually discloses the artist's creative thinking that uses the page as a space for experimentation Fables allow Leonardo to tie together his technical and artistic skills empirical observation and experience to reveal the interactive forces at the basis of physical phenomena and the tensions between painting and humanistic culture

This study reevaluates Leonardo's fables as part of a literary aesthetic and scientific project aimed at the investigation of Nature. *A Wonder of the Ancient World* Luciano Canfora, 1990-09-18 Recreates the world of ancient Egypt describes how the Library of Alexandria was created and speculates on its destruction

The Collected Poems of Barbara Guest
 Barbara Guest, 2013-09-01 Winner of the SFSU Poetry Center Book Award 2010 One of the most notable members of the New York School and its best known woman Barbara Guest began writing poetry in the 1950s in company that included John Ashbery Kenneth Koch Frank O'Hara and James Schuyler And from the beginning her practice placed her at the vanguard of American writing Guest's poetry saturated in the visual arts extended the formal experiments of modernism and played the abstract qualities of language against its sensuousness and materiality Now for the first time all of her published poems have been brought together in one volume offering readers and scholars unprecedented access to Guest's remarkable visionary work This *Collected Poems* moves from her early New York School years through her more abstract later work including some final poems never before published Switching effortlessly from the real to the dreamlike the observed to the imagined this is poetry both gentle and piercing seemingly simple but truly and beautifully dislocating

The Library of Oratory
