New Directions in Childhood

Studies James M. Curtis, 2024-01-04 *New Directions in Childhood Studies* Innocence Trauma and Agency in the Twenty first Century acknowledges that the conceptual frameworks for understanding the experience of childhood in the twentieth century are no longer adequate and offers important updates to the construct of American childhood The chapters in this collection examine contemporary children s literature film and video games to explore the ways in which everyday realities like trauma disaster and death impact the experience of childhood in America today In many ways the essays show the narratives blur traditional lines between children s and adult content taking children series as subjects while also guiding them through the processes of dealing with the particular challenges Collectively the essays develop a more contemporary construct of the American child and offer new insights into what that construction might mean for contemporary American society and culture

The Farmer & Stock-breeder, 1933

Public Discourse and the Fashion Industry Natalia Berger, 2026-02-24 This book explores what happens when fashion discourse migrates from specialised media to mainstream newspapers Analysis of 2 263 texts across five Dutch and international case studies animal welfare disability repair practices smart wearables and metaverse fashion demonstrates systematic reversal instead of creating desire it provokes aversion instead of fostering inclusion it reinforces marginalisation instead of encouraging creativity it stokes speculative investment appetites Drawing on Barthes s semiology of fashion Foucault s discourse theory and Lotman s concept of the semiosphere the book introduces critical discursive matrix analysis as a method for examining fashion at its periphery The findings reveal that when fashion intersects with social issues in mainstream media it becomes colonised by other discursive systems medical civic technology and financial while fashion industry voices retreat replaced by NGOs activists and technology companies pursuing non fashion agendas The volume provides insights into why sustainability efforts fail despite awareness how media representation shapes consumer behaviour and why fashion discourse cannot evolve within its commercial framework *Public Discourse and the Fashion Industry* will engage a diverse audience including fashion studies scholars discourse analysts media researchers sustainability practitioners policymakers fashion industry strategists and communication specialists

scripting you've come to the right place. This is a complete beginner tutorial book that will teach you the fundamentals of Roblox scripting. Game development used to seem like a far-fetched idea that only big studios could undertake. What if you wanted to create your own game according to your rules? Furthermore, what if you wanted to share your awesome new game with a bunch of other like-minded gamers and game developers? There's some good news: the Roblox coding language can help build your game in no time and share it with other passionate players. Roblox is a unique phenomenon. Released in 2006, Roblox is the brainchild of two developers, David Baszucki and Erik Cassel. Learn how to code using the programming language Lua to create new objects and games in the Roblox world, from teleporting objects or PCs, NPCs, to adding and applying power-ups to creating a leaderboard and allowing players to save their games. This book walks you through the basics of the studio tool, provides tutorials for specific actions and creations, then explains how to use all of that knowledge to create your own unique game world. With detailed instructions, example screenshots, and simple explanations of what code to use and how to use it, this book is a must-have guide for any Roblox game designer, from beginners to expert coders.
