Soudavar,2018-09-10 The monotheistic ideology that Darius imposed on the nascent Achaemenid state resulted in a religious revolution with far reaching effects as it reverberated on two different levels At the top level the imposition of an omnipotent abstract god Ahura Mazda created a sharp reaction that led to the general massacre of the opposition termed as Magophonia by Herodotus Several centuries of doctrinal development led to Zoroastrianism a religion marked by the art of compromise and virulent rhetoric While the Zoroastrian influence on Abrahamic religions has mainly been investigated in respect to borrowed concepts such as Paradise or Day of Judgment its influence on the art of compromise and rhetoric has been neglected So has been the influence of its underground opposition organized as brotherhood The underground opposition affected early Christianity while the Iranian clergy influenced the Judaic priesthood Together they ended up affecting Islam

Fargion,2001 **Mithraic Societies: From Brotherhood Ideal to Religion's Adversary** Abolala Soudavar,2014-02-10 Although by its title this book seems to be about a specialized topic the spread of Mithraic societies and its avatars in time and geographical expanse enhances its relevancy From Roman legionaries to chivalry orders from dervish circles to guild organizations and from Freemasons to French revolutionaries the hierarchy of Mithraic societies their initiation rites and their oaths of secrecy provided a model for brotherhood organization that was efficient but also flexible They could adapt their philosophy to the prevailing politico religion conditions of the day because they did not worship any particular god but could also be comrades in arms with nascent religious movements such as with Christianity Mithra was the initial guarantor

of their oath and if need be it could be replaced by Jesus Allah or any other divinity Their religion was their brotherhood and as such they usually provided a counter balance to the power elite and had the potential to become politically active
