Christmas through the magic of poetry and well wishes **The Night of Wishes** Michael Ende,2017-10-03 From the author of *The Neverending Story* a book that reminds us that magic be it good or bad is no simple matter It s New Year s Eve at the Villa Nightmare but Beelzebub Preposteror is in no mood for celebration As the Shadow Sorcery Minister Preposteror has a duty to perform a certain number of evil deeds in service to the Minister of Pitch Darkness But this year to his horror he s nowhere near meeting that quota Preposteror has all but given up when who should make an unexpected visit but his aunt the witch Tyrannia Vampirella She has come with a diabolical proposal that just might be the solution to Preposteror s dilemma together they will brew the fabled Notion Potion one of the most ancient and powerful evil spells in the universe and their every evil wish will be granted The only thing that stands in their way is a most unlikely team a cat named Mauricio di Mauro and a raven known as Jacob Scribble who have just hours to thwart the plans of their sorcerer masters and save the world from destruction *The Nutcracker and the Lantern of Wishes* AQEEL AHMED,2025-12-13 Short Summar The Nutcracker and the Lantern of Wishes Every Christmas Eve the Lantern of Wishes hangs in the town square glowing with a soft golden light It can grant one special wish each year but only if the wish is kind and unselfish Clara has grown up under this light As a little girl she dreamed the lantern could fix anything even her mother s illness As she grows older she learns that some pains cannot be undone even by magic One Christmas during the wishing ceremony something terrible happens The lantern s light flickers then goes out Strange shadow mice crawl out from the cracks in the ground climb the archway and steal the Lantern of Wishes The whole town is left in fear and darkness The shadow mice are made from forgotten toys and broken promises They are angry that human children get all the wishes while they are left in the dark At home Clara holds her old Nutcracker ornament and calls out for help He comes to life as a brave soldier just as he did when she was younger He explains that the shadow mice live in tunnels under the kingdom feeding on regret and sadness Together with Clara s brother Carl they enter a hidden door beneath the church and go down into the tunnels They pass through the Hall of Echoes where the water shows people their deepest regrets Clara sees her mother and her own guilt but with the Nutcracker s help she understands she was only a child and loved her mother as best she could At last they meet the Shadow King who wants a wish of his own so his people will no longer be forgotten Clara offers a different kind of wish that nothing loved is ever utterly lost that toys and memories can find new homes and new meaning and that the shadow mice become guardians instead of thieves The lantern shatters releasing a great light that changes both the town and the tunnels People start to repair and respect old things and the shadow mice guide loses objects with care Clara grows up knowing that real magic lives in how we remember mend and share love **World's Work** ,1904 **The Orchard's Last Harvest: A Dark Fantasy Romance of Cursed Wishes, Memory Magic, and a Haunted Love** Alexius M., In a hidden valley stands an orchard that does not bloom for rain or season It blooms for bargains Ask for what your heart cannot bear alone and the trees will answer if you give them a memory they want more A village healer keeps this pact distilling pain into salves and

stitching secrets into wax sealed charms When a battle broken wanderer reaches her gate begging to lay down what he s seen she leads him between rows of fruit that gleam like captive moons The deal is simple relief for remembrance The consequences are not Days turn to harvests He learns the language of hives and hedgerows she learns how silence can be a refuge instead of a sentence Love takes root But with every wish granted pieces of her past vanish into the bark names birthdays a song her mother once sang And then the floodgate memory returns long ago she stood beneath those same boughs and prayed for a guardian who would never leave The orchard did not offer mercy It offered craft The man beside her is a made wish bound to her by the very debt that keeps the blight at bay The orchard is failing Lanterns gutter green Fruit sours on the branch The trees demand equilibrium what was built from borrowed life must be paid for in full To save the valley and the person she loves she must decide whether to untell their love or wager everything on a final plea Each choice risks a different extinction her identity his existence or the future of a world that has already forgotten too much Why you ll love it Dark Fantasy Romance meets Gothic Mystery lush atmosphere haunted countryside and intimate stakes Supernatural Horror undertones creeping blight whispered rituals the quiet terror of being unmade by your own bargains Memory Magic beehives thrumming like old hymns a ledger of names paid and lost The story asks what a memory is worth who we become when pieces of ourselves go missing and whether love created by a bargain can survive outside the bargain s law Reading guidance emotionally heavy in places but restrained on page violence sensuality is present but non graphic emphasis on mood character and consequence Ideal for night readers and weekend bingers alike perfect in a single sitting or savored over a few late hour chapters If your library includes fairytale for adults folkloric fantasy and romance with teeth this belongs on your shelf Download open and step between the trees Every page is a lantern and every lantern knows your name

The Bell Wishers Emmett Saunders,2018-12-17 Two children Jason Henderson and Jewel Adams sharing a family vacation embark on a far different journey after finding a strange blue bell in a hidden box at a forest s edge Reciting a partial incantation summons a marvelous flying cloak that whisks them into dangerous adventure on a mysterious island Befriending a pompous lion monarch as a guide they fend off an attack by a horde of flying spiders only to have the bell stolen during the battle The bell s recovery provides their only means to return home again and they set off on the adventure of a lifetime Separated by circumstance each finds a spirit of determination and courage to battle and overcome all obstacles arising in their paths Unifying their efforts with magical weapons and friends along the way both become forces to be reckoned with when a villainous Ice Queen unleashes a torrent of evil against them Fulfilling a legend two children forge strength within that neither could have imagined on a simple summer vacation
