The Believers:

The Cross in the Life and Ministry of the Believer Zacharias Tanee Fomum, 2015-05-16 The final say of the author to the Church at large The messages found in this book feature among the last of a series of messages delivered to the people of God in Cameroon and intended for the training of leaders In this book Professor Fomum presents the cross as an indispensable condition for a quality spiritual life In short the extent to which a believer can actually minister is proportional to the degree he she dies to the self life Furthermore the author displays the implications of the Kingdom life on earth nowadays he ends up making suggestions on how to lay a nation down at the feet of the Lord The cross is a central element in the life as well as the ministry of a believer In a sense the messages contained in this book represent the final say of the author to the Church at large May each and everyone acknowledges and really experience the cross such that the Holy Ghost will easily have His way in our lives for the glory of the Lord

The Spiritual Man Watchman Nee, 1998 An intriguing exploration of the great transition between life and the after life

The Interpretation of The Meaning of The Holy Quran Volume 22 - Surah Yunus verse 1 to 109 Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin

The Interpretation of The Meaning of The Hadith Volume 7 - Virtues of Pilgrimage Nasoha Bin Saabin, I believe there is a great need in the whole world for the correct interpretation of the Holy Quran and Hadith to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran and Hadith among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have

led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran and Hadith With the grace of Allah I have completed the interpretation of the Holy Quran with 84 books and Hadith with 7 books The series of the interpretation of the hadith consist of 7 books that are Virtues of Tabligh or Dakwah Virtues of Solat Virtues of Solat Tahajud Virtues of The Holy Quran Virtues of Charity Virtues of Ramadhan and Virtues of Pilgrimage Among all the 7 above orders of Allah the first 5 books focus on the order of Allah that should be done daily fasting should be done in the month of Ramadhan every year and pilgrimige to Mekah should be done once in a lifetime for those who are able to do it financially healthy and safely and all these orders are to be done in the way of Prophet Muhammad saw and with the intention to please Allah Besides the 84 books on the interpretation of the Holy Quran these 7 books of Hadith should be read daily in every mosque and in every house in the whole entire world in order to have the correct mindset on the orders of Allah and when the mankind will practice all the orders of Allah what has been mentioned in the Holy Quran and Hadith in the way shown by Prophet Muhammad saw and with the intention to please Allah only then the entire mankind will have the correct belief in Allah and in the orders of Allah When the entire mankind have the correct belief and mindset towards Allah and the orders of Allah only then the entire mankind will have the correct actions or deeds When the entire mankind will have the correct deeds only then the entire mankind in this world will be able to live with peace and happiness in this world and the hereafter Prof Nasoha Bin Saabin

The Spiritual Man Volume 3 Watchman Nee, This book is divided into three volumes with ten sections The book was written in the latter part of 1925 and completed in June 1927 The following explanation by the author himself on the nature of the book is quoted from an announcement in Issue No 3 of The Present Testimony This book puts particular emphasis on spiritual reality Hence what is covered in each volume can all be attested in experience nothing is there as an empty word The most frustrating experience of believers today is that in seeking progress on the spiritual path they do not find the proper way As a result they grope in darkness being at times high or low lingering around the crossroads year in and year out and having no one to consult for direction The author of this book was such a one For this reason the book emphasizes clear guidance on the proper path Every chapter of this book is intended to guide believers on the right course Therefore all those who seek after God with an honest heart can go step by step accordingly Almost every chapter begins from the perspective of the sinner and proceeds step by step toward the peak of spiritual life The whole book covers a wide scope every question concerning the spiritual life that the believers want to know but cannot answer is explained here For example difficult matters such as hearing God s voice and understanding God s will are all clearly explained After reading this book all

major spiritual problems will be fully resolved Regeneration salvation sanctification denying the self the filling of the Holy Spirit and power the baptism of the Spirit fellowship prayer Bible study identification in death the flesh the soulish life the emotion supernatural experiences miracles the discernment of true and false speaking in tongues the intuition the conscience revelation of God spiritual work warfare with Satan the evil spirits demon possession the free will the renewing of the mind passivity consecration affection the feeling of coldness and hotness the body illness the way to escape death and countless other subjects are explained in the deepest as well as the simplest way If a believer wants to walk on the proper spiritual course he must read this book If anyone wants to help others and explain to others their true condition they also cannot skip this book All who read this book will find light even on many ordinarily overlooked topics Even a matter as familiar as regeneration will be understood in a way that was unthought of before *The Journals of Major-Gen.
