The Church And The Homosexual

Greg Johnson

The Church And The Homosexual:

The Church and the Homosexual John J. McNeill, 1993-09-01 In this brave and good book which shatters bad myths
Commonweal McNeill shows that the Bible does not condemn homosexuality and argues that the Church must not continue
its homophobic practices **The Church and the Homosexual** John J. McNeill, 1977-01-01 **Two Views on**

Homosexuality, the Bible, and the Church Zondervan, 2016-11-29 Unique among most debates on homosexuality this
book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet
maintain a respectful and humanizing posture toward one another Few topics are more divisive today than homosexuality
Two Views on Homosexuality the Bible and the Church brings a fresh perspective to a well worn debate While Christian
debates about homosexuality are most often dominated by biblical exegesis this book seeks to give much needed attention to
the rich history of received Christian tradition bringing the Bible into conversation with historical and systematic theology To
that end both theologians and biblical scholars well accomplished in their fields and conversant in issues of sexuality and
gender articulate and defend each of the two views Affirming represented by William Loader and Megan K DeFranza
Traditional represented by Wesley Hill and Stephen R Holmes The main essays are followed by insightful responses that
interact with their fellow essayists with civility Holding to a high view of Scripture a commitment to the gospel and the
church and a love for people especially those most affected by this topic the contributors wrestle deeply with the Bible and
theology especially the prohibition texts the role of procreation gender complementarity and pastoral accommodation The
book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality The
Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both
fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the
different positions on a specific issue and form their own educated opinion **The Homosexual** John David Burton, Robert

L. McFarland, 1966 *Love Into Light* Peter Hubbard, 2013-06-09 Over ten thousand copies sold Powerfully insightful book I
am not aware of a more valuable first resource to help shape our thinking on this very contemporary issue Dr Fred G Zaspel
Calvary Baptist Seminary Homosexuality is one of the most controversial moral issues of our day Headlines teem with stories
of athletes coming out politicians changing positions and courts handing down same sex marriage rulings Sadly the church
has often been afraid to talk about homosexuality Many Christians feel confused and divided between the call to love and the
call for truth And many who struggle with unwanted same sex attraction feel alone and alienated by the church The time is
ripe for God's people to think and speak about same sex attraction in a way that is both biblical and beneficial We must reject
our fears and misunderstandings and see ourselves together in need of the grace of Jesus *Love Into Light* is designed to move
the church toward that end Written from the heart of a pastor with a love for people and a sensitivity to our culture *Love Into
Light* is your next step toward becoming more faithfully and helpfully engaged with people in your families in your church

and in your neighborhood **Homosexuality in the Church** Jeffrey S. Siker, 1994-01-01 Outstanding authorities on scripture tradition reason biology ethics and gendered experience discuss one of the most divisive debates in the church today the place of homosexuals in the community of faith The balanced treatment of the issues and the contrasting insights of the essays make this a valuable resource for reflection individually or in groups *Still Time to Care* Greg Johnson, 2021-12-07 Charting the path forward for our churches and ministries in providing care not a cure for our non straight sisters and brothers who are living lives of costly obedience to Jesus At the start of the gay rights movement in 1969 evangelicalism's leading voices cast a vision for gay people who turn to Jesus It was C S Lewis Billy Graham Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism We see with them a positive pastoral approach toward gay people an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure With the birth and rise of the ex gay movement the focus shifted from care to cure As a result there are an estimated 700 000 people alive today who underwent conversion therapy in the United States alone Many of these patients were treated by faith based testimony driven parachurch ministries centered on the ex gay script Despite the best of intentions the movement ended with very troubling results Yet the ex gay movement died not because it had the wrong sex ethic It died because it was founded on a practice that diminished the beauty of the gospel Yet even after the closure of the ex gay umbrella organization Exodus International in 2013 the ex gay script continues to walk about as the undead among us pressuring people like me to say I used to be gay but I'm not gay anymore Now I'm just same sex attracted For orthodox Christians the way forward is to take a close look at our history It is time again to focus with our Neo Evangelical fathers on caring over attempting to cure With warmth and humor as well as original research *Still Time to Care* provides Guidance for the gay person who hears the gospel and finds themselves smitten by the life giving call of Jesus Guidance for the church to repent of its homophobia and instead offer gospel motivated love and compassion *Homosexuality and Christian Faith* Walter Wink, 1998-12-01 Ideal for individual or group use this unique resource presents short pieces from some of the nation's most preeminent church leaders women and men Protestant and Catholic mainline and evangelical who address fundamental moral imperatives about homosexuality Through personal testimony factual clarification and moral suasion they invite the reader to open his or her heart to the Spirit to Gospel values and to full acceptance of gay and lesbian persons in the family of God **A Theology of Gay and Lesbian Inclusion** Donald Grant Hanway, 2006 *A Theology of Gay and Lesbian Inclusion* Love Letters to the Church challenges traditional church teachings that brand homosexuality as immoral using pertinent scripture from the central Gospel to promote a full acceptance of gay and lesbian Christians This powerful book questions the assumption that gay Christians are morally inferior presenting testimony from gay men and lesbians about prejudice they've experienced at the hands of the Church and its straight members Written as a series of ten letters the book addresses the strengths and weaknesses of the church and

appeals for a new understanding and commitment to the acceptance of its gay members The Church. Homosexuality. Human Rights. Ohenewaa Danso, 2024-04-24 This book was delivered to me in one word separation I felt it drop in my spirit like a coin I asked in my meditation what about separation what about it The answer is what you have in your hands now reading The title The Church Homosexuality Human rights hardly made any complete sense to me until I was able to liaise it with the mother word separation The title is punctuated for a purpose each of the three nouns is supposed to be a full separate and sovereign entity I mean each is because each exists However the reality of society and relationships challenges this persuasion and thus leaves the reader even me to figure out whether it s worth any effort to marry these sovereign bodies or not The writer s style is passably argumentative it is purposed to allow the reader release him herself into the billowing wave of opinions and facts on the subject so as to arrive at the shore of conviction that is very personal and independent in nature One could agree or disagree with me when I say that the of the three bodies constituting the title human rights cannot be recognized as a sovereign entity because it is owned by others all humans for that matter The same claim cannot be made for the remaining two Church is a person wife and sovereign homosexual is a person and sovereign Human rights therefore exist only as the middleman mandated to oversee the peaceful coexistence of the two But how is this peaceful coexistence to be attained rather organically For a start the middleman has asked the church and the homosexual to move a step away from entrenched positions identities and ideologies to the common floor of united sovereigns Tolerance is the only way out says the middleman But will the two commit to this tolerance method or like some contracting states of the UN will they resort to the game of unfaithfulness it s human right when it suits us and when it s convenient to get by Whatever your view whatever your prevailing conviction whatever your deeply held belief and whatever your well thought through stance regarding the marriage of the two sovereigns that is what this book in essence is about taking a stand

Homosexuality and the Death of the Church Pastor Romell Parks-Weekly, 2014-04-25 Although the prophetic destiny of the Christian Church is a very controversial topic motivating many pastors and teachers to not deal with it at all the Bible is not silent about it Believing that if God took the time to inspire the apostles and prophets to write about it we should take the time to study and understand it Pastor Romell Parks Weekly takes a fresh look at Bible prophecy in Homosexuality and the Death of the Church Homosexuality is undeniably the controversy of our time As same sex marriage becomes legal all around the country and world many Christians fear that their religious liberties are threatened and that the world is proving its God dishonoring intent to become the modern day Sodom and Gomorrah Consequently the Church is challenged both internally and externally to deal with this controversial issue head on Join Pastor Parks Weekly as he uncovers earth shattering biblical evidence that the Church will actually die and that the issue of homosexuality will likely be the catalyst that causes it Did the Pat Robertsons and James Dobsons of the faith have it right all along Are homosexuals the enemy of the Church Is there any way to prevent the coming catastrophe or should we actually welcome the death of the Church The Bible provides the

answers Uncover them in **Homosexuality and the Death of the Church** **The Episcopal Church, Homosexuality, and the Context of Technology** George Hobson,2013-05-31 About the Contributor s George Hobson is an Episcopal priest and Canon to the Bishop for Theological Education in the Convocation of Episcopal Churches in Europe He has taught theology in seminaries and theological colleges in many developing countries including Rwanda Burundi Haiti Armenia and Pakistan He is author of a volume of poems and photographs Rumours of Hope 2005 and contributor to a collective book of poetry Forgotten Genocides of the Twentieth Century 2005 Homosexuality and the Church ,1989 **The Way Forward?** Timothy Bradshaw,2003 The homosexuality issue is the most pressing dilemma currently facing the churches Recent controversial church appointments in Britain and America have sparked intense argument and there has been virtually no sign of real dialogue or developing debate This important and timely book sets out the full range of Christian responses to this critical issue and offers mature and informed contributions from key figures on all sides of the debate A vital resource for theological reflection and continuing discussion this second edition of The May Forward will be crucial reading for all who are concerned for the issues at stake and for the future and integrity of the churches today **Loving Women/loving Men** Sally Miller Gearhart,William Reagan Johnson,1974 Outlines the growing conflict between Gay people and organized religion and is a timely history of Gay church confrontation over the past decade including the fine scholarship of the Reverend Robert L Treese s biblical perspective **Homosexuality and the Catholic Church** Fr. John F. Harvey, O.S.F.S.,2014-06-25 As the founder and director of the Courage and Encourage support groups Fr John Harvey is aware of the sensitive nature of homosexuality With his extensive experience ministering to those with same sex attraction Fr Harvey presents the Church s teaching in an objective and pastorally sensitive manner Priests religious and laity alike will benefit from the many questions considered here including What is the basis of the Church s teaching regarding homosexuality What do many consider to be the cause of same sex attraction Can a person overcome same sex attraction Why is it important for civil law to limit marriage to one man and one woman How can a person live the virtue of chastity joyfully **Sons of the Church** Thomas B Stevenson,2014-05-22 The book that can help you reconcile being both gay and Catholic Sons of the Church The Witnessing of Gay Catholic Men spotlights testimonials from over thirty gay Catholic men to answer the question How can you be gay and Catholic Dr Thomas B Stevenson who received degrees from the University of Notre Dame Boston College and the Graduate Theological Union in Berkeley explores this question using various interviews to thoroughly analyze the many dimensions of being gay and Catholic while providing a powerful and convincing criticism of Church teaching on homosexuality This thoughtful surprisingly reverent book is the answer for those gay readers who long for a religious connection as well as for Catholic readers and those in pastoral positions who want and need to hear the stories of gay people firsthand Sons of the Church The Witnessing of Gay Catholic Men tells one story the story of what it is like to be gay and Catholic through the various stories of over thirty gay Catholic men Each chapter is arranged thematically beginning

with experiences of being homosexual and Catholic during childhood and youth. Subsequent chapters delve into the ways these men each finally accepted themselves and integrated their sexuality related to others who did or did not understand. Dealt with homosexual promiscuity, found intimate relationships became a part of a community and ultimately came to terms with the Catholic Church and their faith. Throughout these witnesses explain how their faith in God guides them through the various experiences and issues they face. The positive aspects of Catholic Christianity are respectfully explored at the same time as the present Church teaching on homosexuality is challenged. *Sons of the Church* uses interviews to explore Catholics coming to terms with their homosexuality, the experiences of young men recognizing their sexuality suffering and oppression by society and the Church, acceptance of self, integration of goodness and lovability of homosexuality, moral issues of promiscuity among gay men, gay relationships and the Catholic dimensions of commitment, criticisms of gay culture, the Catholic Church teachings on homosexuality, the answer to the question "How can you be gay and Catholic?" *Sons of the Church: The Witnessing of Gay Catholic Men* is enlightening reading essential for educators, students, counselors, priests, nuns, psychologists, and theologians. Catholic people, gay people, and every educated reader will find that the interviews and ideas here stimulate thought and create a greater understanding of the issue of homosexuality and faith. Richard F. Lovelace, 1978

The Episcopal Church, Homosexuality, and the Context of Technology George Hobson, 2013-05-31

The aim of this book is to promote more serious theological discussion in the Church especially in the mainline Protestant churches and the Episcopal Church on the issue of homosexuality. George Hobson provides a theological perspective informed by biblical insights on the one hand and by analysis of the development and significance of the all-encompassing reality of science technology on the other. The question of technology is the determinant issue in the lives of modern men and women for whom virtually every aspect of daily existence is controlled and oriented by technological imperatives. The central argument of the book is that reflection on the sexual revolution of our day including the issue of homosexuality cannot be carried forward effectively without consideration of this context of technology. A constructivist ideology rooted in our technological power underlies the fashionable notion that sexual behavior even gender identity is entirely culturally determined. Hobson opposes this notion on theological grounds and argues that the liberal disposition in the Protestant churches prevents them from seeing how the authentic Christian gospel is being subverted by this constructivism and the technologically driven quest for total control over every feature of reality that it represents.

Turning Controversy into Church Ministry William P. Campbell, 2010-09-21

One of the most volatile issues facing the Western Church is also one of the least discussed: homosexuality. Many pastors, church members, and congregations have become tired of the debate surrounding this topic but do not really understand the issues. Pulling away from this controversy doesn't seem to help; it keeps cropping up. Ninety percent of pastors are aware of members or visitors to their churches who struggle with homosexual tendencies, and the same percentage of churchgoers know a relative or friend who wrestles with

this concern The media school systems and nearly every sector of society will challenge Christians to give a reasoned response to the escalating gay agenda For twenty five years W P Campbell has studied and debated this topic as it relates to Christ s Church He has come to the conclusion that it will not go away in our generation but it can be coaxed to find its proper place in any congregation when it is tackled with a firm but loving grip Homosexuality in the Church is a guidebook to help Christians and whole congregations do just that It faces the heart of the controversy with the love and compassion of Christ and turns it into effective ministry Framed by the most significant biblical passages related to homosexuality and supported by science psychology and sociology each of the five parts of the book unfold a unique aspect of God s person and purpose As our Creator he has made us to be whole as our King he has provided laws and guidelines to help us remain that way as our Redeemer his power can save us from sin as our Guide his light will guide us out as our Strength he will make our ministry effective As a resource for the church today this book will Provide readers with a comprehensive overview of the biblical data about homosexuality Inform readers about current scientific psychological and cultural findings related to same sex practice Teach readers Christ like responses to gay rights activists in the Church and help them to know how to avoid extreme stances about homosexuals and the Church that result in alienating others or in supporting sexual sin Offer guidelines and tools to church leaders for mobilizing a congregation to study this topic and to engage in ministry to recovering homosexuals

This Captivating World of E-book Books: A Thorough Guide Unveiling the Advantages of Kindle Books: A Realm of Ease and Versatility Kindle books, with their inherent mobility and ease of availability, have freed readers from the limitations of hardcopy books. Gone are the days of lugging cumbersome novels or meticulously searching for specific titles in bookstores. E-book devices, sleek and portable, effortlessly store an extensive library of books, allowing readers to indulge in their favorite reads anytime, anywhere. Whether traveling on a bustling train, relaxing on a sun-kissed beach, or just cozying up in bed, Kindle books provide an unparalleled level of convenience. A Reading World Unfolded: Discovering the Vast Array of Kindle The Church And The Homosexual The Church And The Homosexual The Kindle Shop, a virtual treasure trove of bookish gems, boasts an wide collection of books spanning diverse genres, catering to every readers taste and preference. From gripping fiction and mind-stimulating non-fiction to classic classics and contemporary bestsellers, the Kindle Store offers an unparalleled variety of titles to explore. Whether looking for escape through immersive tales of imagination and adventure, delving into the depths of historical narratives, or expanding ones understanding with insightful works of scientific and philosophy, the E-book Store provides a gateway to a bookish world brimming with endless possibilities.
