The Church And World Missions

John Raleigh Mott

The Church And World Missions:

Introduction to Global Missions Zane Pratt, M. David Sills, Jeff K. Walters, 2014-07-01 Missions is the work of the church to reach and teach the peoples of the world for Christ's sake. The missionary call is a vital part of the life of every follower of Jesus Christ and therefore the church. But the effective discipleship of all nations requires a solid biblical, historical, and practical foundation. Therefore, the study of missiology demands the effective application of biblical studies, theology, and history. This text brings the rich heritage of evangelical missiology, founded on conservative theology, to a twenty-first century audience passionate for the proclamation of the gospel. Introduction to Global Missions brings the authors' decades of combined missionary and teaching experience to a survey text appropriate for college or seminary classroom. The book is divided into four sections and thirteen chapters. The text begins with the biblical and theological foundations of Christian missions, including a biblical theology of missions. Before moving to the practical and strategic issues of twenty-first century missions, the authors consider the historical development of missions with a view toward providing a basis for contemporary strategies. A final foundational set of chapters addresses the impact of cultures on the communication of the gospel. The remainder of the text deals with key issues and opportunities in missions, including church planting, missions in the local church, and strategies for disciple making. Introduction to Global Missions provides a foundation for readers to consider their own missionary call, whether as a full-time field missionary or a church member on short-term projects. No matter their role, Great Commission Christians need a framework for doing missions well. **A Concise History of the Christian World**

Mission Herbert J. Kane, 1978-08-01 This volume comprises an excellent introductory survey of Christian missions from A.D. 30 to the twentieth century. **Missions from the Majority World** Enoch Wan, Micheal Pocock, 2009-09-15 The churches from the whole world are joined in the effort to reach the whole world. Although it has been documented that Western missionaries serving outside their countries still comprise the majority of world missions workers, the growth rate of majority world missionaries far outpaces that of the West. In recent years, while Western missionary forces are shrinking in numbers and possibly in influence, missions from the majority world have proliferated, bringing amazing progress and some challenges. Missions from the Majority World represents the thinking of 14 majority world mission scholars and 10 Westerners with lengthy experience in the missionary enterprise. The book shows the progress and challenges of missions from the majority world and illustrates this by case studies from Asia, Africa, and Latin America. Evangelical Dictionary of World Missions A. Scott Moreau, Harold A. Netland, Charles Edward van Engen, David Burnett, 2000-10-31 The Evangelical Dictionary of World Missions contains more than 1,400 articles on the theory, practice, theology, and history of missions. A comprehensive one-volume reference, it not only provides a wealth of information on the topic of world missions, it also offers a contemporary study of the subject from an evangelical perspective. Over three hundred missionaries, theologians, and educators from a variety of cultural, denominational, and ethnic backgrounds contribute their expertise to provide a broad survey of the history

of world missions as well as current trends and research The Evangelical Dictionary of World Missions a Christianity Today 2001 Book Award winner is a valuable research tool for professors and students in their study of world missions It is also a readily accessible resource for clergy and lay persons interested in the history of world missions and its continuing progress Publisher **The Christian World Mission** J. Herbert Kane,1981 *World Mission: The Biblical* Jonathan Lewis,1994 Back by popular demand this three volume work is now reprinted as a single volume This manual leads the student into a deeper broader mission understanding and vision by covering the Biblical historical foundations the strategic dimensions and cross cultural considerations **Introducing World Missions** A. Scott Moreau,Gary R. Corwin,Gary Corwin,Gary B. McGee,2004 This overview considers issues involved in becoming a missionary the process of getting to the mission field and contemporary challenges a mission worker must face **Revolution in Missions** Willis Church Lamott,1954 From foreign missions to the world mission of the church [An Introduction to World Missions](#) J. Raymond Tallman,1989 [Is the Commission Still Great?](#) Steve Richardson,2022-10-04 Dismantling the Myths that Obscure God s Great Plan The primary mission of the church is to glorify God by blessing all peoples of the world through the gospel of Jesus Christ The Great Commission s task of global disciple making is the most ambitious project ever undertaken Given the scale and complexity of global missions it s no wonder that misconceptions abound even among invested godly people Questions and skepticism about missions arise from both outside and inside the church Is missions an outdated idea Do missionaries do more harm than good Are we succeeding or failing Is it time for global believers to do the job in their own countries with minimal Western involvement We don t need to fear questions like these But we do need to seek and find solid biblical answers Is the Commission Still Great dismantles the myths that obscure God s beautiful plan to make disciples of all nations Misperceptions discourage God s people from joyfully participating with Him in reaching the world Yet deepening our understanding of the call to missions restores perspective and motivates us to participate in God s grand design Author and missionary kid Steve Richardson uses stories from Scripture history and his own ministry experience to impart timely lessons on modern missions Richardson also draws from the wisdom of field missionaries sending agencies pastors and church members to address this all important endeavor Each chapter finishes with thought provoking questions to facilitate purposeful discussion in families and small groups Is the Commission Still Great will equip followers of Christ to be participants not spectators in the redemption of the world **Missions** Andy Johnson,2017-08-15 Every local church should be engaged with global missions even if most individuals in the church aren t called to go overseas But what does this engagement actually look like How can local churches train send and support missionaries well Unpacking principles from the Bible and applying them in the context of real life in a local church this new book in the 9Marks Building Healthy Churches series is filled with practical steps and advice for supporting missionaries forming international partnerships sending short term teams and engaging with the nations here at home This book casts a vision for the local church as the

engine of world missions for the joy of all people and the glory of God Western Christians in Global Mission Paul Borthwick, 2012-10-03 Missions specialist Paul Borthwick brings an urgent report on how the Western church can best continue in global mission Providing current analysis of the state of the world and Majority World opinion Borthwick offers concrete advice for Western churches who want to avoid the pitfalls of colonialism **Missions in a New Millennium** W. Edward Glenny, William H. Smallman, What does the changing face of missions look like What challenges will appear in the years to come A number of key missionaries mission agency leaders seminary professors and pastors present insightful presentations of missions past and present seeking to revitalize the future of world evangelism Essentials of World Missions Timothy Tennent, 2017-03 The purpose of this course is to provide a broad introduction to the worldwide mission of the church of Jesus Christ Beginning with a Biblical foundation the course examines key Scriptural passages in both the Old and New Testaments that relate to the mission of the church The second part of the course addresses key theological and cultural challenges that the church faces in proclaiming the gospel and establishing culturally relevant and viable churches The third portion of the course exposes the student to key concepts in 21st century mission thinking including mission strategy the role of forging global partnerships and the need to focus on church planting Throughout the course the emphasis is on practical ways the church can be more effective in ministering cross culturally and fulfilling the Great Commission **Will You Join the Cause of Global Missions?** David Alan Black, 2012-02-02 Everyone is called to be a missionary and that call comes at the same time as the call to follow Jesus The church in America has come to depend on professionals to do ministry In many churches the pastor paid to do the job is the one who is expected to carry out all functions of the church But it was not always this way Jesus came as God in the flesh The pattern portrayed in the New Testament is that every Christian is part of the body of Christ and the function of Christ's body is to be incarnational to be Jesus Christ for the world John 20:21 Author David Alan Black takes on this attitude of outsourcing our mission in his shortest book yet one he has said might be the most important that he has written Will You Join the Cause of Global Missions If you expect here a call to go to seminary and become a professional missionary you will be sorely disappointed Instead Dave calls for us to replace outsourcing with insourcing Instead of looking for professionals to do the ministry while the rest of us fill the pews he is pointing us back to the Gospel Commission and the call on every Christian life to fulfill that Commission It is not enough in the 21st century to put a little bit of money into the church and expect the pastor and paid staff to do the work Each one of us is called to also give of our time and talents This little book might be dangerous You may not be able to put it down without seeing your life radically changed In fact the book ends with a call to make precisely that promise So will you join the cause of global missions Invitation to World Missions Timothy C. Tennent, 2010 A primary resource introducing missions for the passionate follower of Christ **Final Analysis** James W. Reapsome, 1999 Since 1988 in his acclaimed editorial column in World Pulse newsletter Reapsome has addressed the real issues in missions and courageously confronted

us with often discomfiting truths In this remarkable book you ll find 100 of Jim s best editorials which still hold true today

The Present-day Summons to the World Mission of Christianity John Raleigh Mott,1931 **What in the World is God Doing?** Carl Gordon Olson,1993-08 **What in the World is God Doing?** C.
