Matthew Gorkos

The Church Story:

The Storied Church Matthew Gorkos, 2021-09-07 Matthew Gorkos begins *The Storied Church* with this compelling statement I believe in the church in the power of faithful people serving a good and gracious God and I believe in the power of a good story Moreover I believe as this book will argue that church and story harnessed together could be an even more powerful force for goodness in our world Neuroscientists anthropologists archeologists and psychologists all agree Story is how our brains and our communities make sense of things Storytelling helps us cope with change and loss Storytelling helps us transmit lessons and life skills to the next generation As human beings it seems we can't do without story This book indeed this whole idea of story centered church renewal was born of a suspicion that the restorative transformative life giving function that stories have for us as individuals may serve communities of faithful people as well If stories help us survive as human creatures why can't they help churches survive The problem that story centered renewal seeks to remedy has only become more prevalent and urgent in the age of Covid 19 Our churches need hope now more than ever Writing from a pastor's perspective Gorkos hopes to encourage and empower other pastors and lay leaders with both the hope and the tools they need to effect revitalizing change in their faith communities Each chapter includes questions for reflection to help readers listen to and tell the stories that will lead to renewal and transformation

The Church's Story, 1993

The Return to Scripture in Judaism and Christianity Peter Ochs, 2008-05-22 The scholars who have contributed to this volume of essays are Jewish and Christian thinkers who without melding their different religious traditions and scholarly methods have developed complementary responses to what they believe is wrong with contemporary biblical scholarship in Judaism and Christianity The purpose of this collection is to draw attention to the similarities among these responses and to the possibility that they may contribute to a family of postcritical methods for interpreting the scriptural traditions The postcritical scholars employ current methods of critical scientific inquiry to clarify the language the historical contexts and the didactic messages of the biblical traditions They do not however find these methods sufficient They argue that the biblical traditions communicate to their practitioners some rules of action that cannot be deciphered within the terms set by canons of critical reason that emerged in the European Renaissance and Enlightenment Rather among the Bible's unique rules of action are the principles for interpreting the traditions themselves Postcritical scholars attempt to identify these rules of interpretation producing what editor Peter Ochs has come to term postcritical Scriptural interpretation It is neither strictly modern nor premodern This form of inquiry emerges in the dialogue that is now unfolding between a contemporary family of scholars and their scriptural traditions

Promise and Presence John E. Colwell, 2011-09-22 John Colwell presents a robust sacramental theology for Protestant churches He maintains that a doctrine of the Trinity leads us to conceive of God's gracious engagement with his creation as one that is mediated through that creation And this lies at the foundation for an understanding of the sacraments Colwell further argues that the Church

and Scripture confer context definition and validity on all other sacramental events The final section reconsiders the seven Sacraments of the Catholic tradition in the light of the understanding of sacramentality developed earlier in the book baptism confirmation the Lord s Supper cleansing healing ministry and marriage Colwell discusses the Sacraments from an evangelical perspective but with a committed ecumenical intent

Dominica, O.S.U., Ph.D.,2017-09-10 To know and to understand the Church is a sacred duty for every Catholic The Church is not just an organization to which we belong it is an organization of which we are a part Loyalty to the Church is not merely one among many loyalties It is the one great loyalty of our lives in which all other loyalties are rooted and from which all derive their life and strength For the Church is Christ and in the Church we are united with Him and with one another as members of one Body Hence a burning love for the Church must always be an outstanding characteristic of a good Catholic
