events of his childhood in 1967 this is the story of a boy and a city Jonah Kirk s childhood has been punctuated by extraordinary moments like the time a generous stranger helped him realize his dream of learning the piano Nothing is more important to him than his family and friends and the electrifying power of music But now Jonah has a terrifying secret And it sets him on a collision course with a group of dangerous people who will change his life forever For one bright morning a single earth shattering event will show Jonah that in his city good is entwined with malice and sometimes the dark side of humanity triumphs But it will also teach him that courage and honour are found in the most unexpected places and the way forward lies buried deep inside the heart If he can just survive to find it A story of broken families race fathers sons love and hate and how these things can bubble in the cauldron of the city the most gripping thing I ve read in a long long time You sense you are reading a master still at the peak of his powers Matt Haig author of the Humans *Outing and the Wheelman*,1903 *Addresses and Papers* ,1926
