

# Clan Cameron

The Clan Cameron is a Scottish highland clan with a rich and fascinating history. While there are several theories about the origin of their name, the most likely explanation is that the first authentic chief of the clan, Donald Dubh, was descended either from the Macgillonies or from the medieval family of Cameron of Ballegarno in Fife. He united the confederation tribes, which became known as the Clan Cameron.

Donald Dubh was a formidable leader who was born around 1400. He married an heiress of the Macmartains of Letterfinlay and by his prowess and leadership, united the confederation tribes which became known as the Clan Cameron. He and his successors were known as captains of Clan Cameron until the time of Ewan Macallan, in the early sixteenth century, when the lands of Lochiel were united by charter into the Barony of Lochiel.

Ewan Macallan was one of the great Cameron chiefs, who was well-favored at court and very successful in all he undertook. However, the untimely death of his eldest son, Donald, was a great blow to him, and resolved to give up the world, he went on pilgrimage to Rome. He later supported the heir to the Lordship of the Isles in an unsuccessful revolt, was apprehended by Huntly, and executed at Elgin.

After the disaster at Culloden, the Cameron clan lands were forfeited, their houses burned, and their cattle removed or shot. The Cameron Highlanders, who have always had a very close association with the clan, were raised by an outstanding soldier leader, Alan Cameron of Erracht, in 1793.
