penance to procure my own good and believe I deserve it What makes it too daring to save ourselves before extending an arm through shards of blue ice clutching a hand held offering still beating I do not want you to think this is a dark book shrilling prophetic doom in contorted faces It is about rising up on the power of our own self worth It is about being anchored by the shouts from lamp lit watch towers old draw bridges and warmed stick built shacks everywhere If there is obscurity in my poems and stories it is so you may see yourself in a few words a phrase or sentence and chisel or sculpt what you need to find in one spring fed pocket of air that you are not alone it is in the wrestling with cold swirling waters that we find our bliss sustain it breath by breath and round by round Am I on thin ice Maybe but I can see blue a safe distance away Just words
