The Cockroach Basketball League:

The Cockroach Basketball League Charley Rosen, 1998-10-06 The Cockroach Basketball League follows the tribulations of hard driving coach Bob Lassner of the Savannah Stars a team in the Commercial Basketball League a fiction drawn from Rosen's own nine years experience coaching in the minor league Continental Basketball Association Lassner is an aging hippie and divorcé who hails from a Bronx tenement His obsession with the game of basketball animates this kinetic gritty ramble through the sport's minor leagues Lassner is either red with rage or soft with compassion as he struggles to deal with his wayward players His top scorer is selfish and arrogant another player faces a grand jury for a point shaving scheme still others are drinking and taking drugs Lassner also faces a meddling team owner racial tension and the threat of losing his job if he doesn't produce victories With *The Cockroach Basketball League* Rosen provides a poignant portrait of men both players and coaches who may not ever make it to the NBA Through this look at life in the minors Rosen offers a unique perspective on college and pro basketball media hype and the psychology of dreams deferred

The Cockroach Basketball League Charles Rosen, 1992 From the author of the critically acclaimed National Book Award nominated novel *Have Jump Shot Will Travel* comes this player's and coach's eye view of life in the Commercial Basketball League a collection of rag tag teams just this side of solvency where the owners and coaches are unscrupulous and the players are one step removed from stardom in the NBA or the playground hustlers of *White Men Can't Jump* In this fact based novel that does to basketball what *Ball Four* and *The Bronx Zoo* did to baseball Coach Bob Lassner's task of gearing up his team for the playoffs involves much more than orchestrating the on court X's and O's In a league filled with NBA has-beens wannabes and never-will-bes it's a struggle just to keep the team's meddling owner out of the way and the players' minds off wine in their milder moods women and white stuff long enough to concentrate on the game at hand In ribald authentic inside detail the author himself a former coach in the real life Continental Basketball Association vividly captures the flip side of the millionaire ridden world of the NBA where life truly is a metaphor for basketball

More Than a Game Phil Jackson, Charley Rosen, 2011-01-04 More than a Game covers the years that follow the one featured in the ESPN documentary series *The Last Dance* After leaving the Bulls at the end of the 1997-1998 season the year featured in the new ESPN documentary series *The Last Dance* Phil Jackson had one year off and started to write this book together with his old friend fellow player and coach the basketball novelist Charley Rosen Then Phil took the LA Lakers coaching job Rosen followed him there and by the time they finished writing this book it was 2000 and

Phil had won yet another NBA championship the first of five he would win with his new team In More than a Game Jackson and Rosen look backward to their origins as players and coaches forward to the future of the game of basketball and linger in the moving target of the present lavishing page after page on the Triangle Offense and all the ways it reveals the essence of the game of basketball they both love so much This is Jackson in his prime transitioning from the Bulls to the Lakers a master of the art of winning who would go on to claim more NBA championships eleven than any other coach in NBA history As he writes in More than a Game of his newest championship team We won because our fundamentals were sound because Shaq was so dominant and Kobe was so creative but we also won because we developed a certain confidence in our ability to win

The First Tip-Off: The Incredible Story of the Birth of the NBA Charley Rosen,2008-10-05 Charley Rosen has undertaken the challenge of documenting the latest and greatest history of the game professionally and has done so to great success When I finished the book it seemed as if I had gone through another season injuries and all Rosen skillfully leads readers through the NBA s first steps along its journey toward what it has become today Phil Jackson from the Foreword Rosen a wonderful sportswriter had forgotten more basketball history than the best fans will ever know Booklist on No Blood No Foul Go back to a time when basketball players wore knee pads and itchy cotton jerseys When even the team s leaders were grateful for dry towels hot showers and 60 paychecks When winning was all that mattered In this vividly rendered and meticulously researched book endorsed with a Foreword by Los Angeles Lakers head coach Phil Jackson sportswriter Charley Rosen takes you on a rollicking tour of the NBA s first season Filled with rare archival photographs and exclusive interviews The First Tip Off brings to life a cast of unforgettable characters including Chuck Connors clown prince of the BAA and Jumping Joe Fulks ex Marine turned basketball s first superstar as Rosen deftly unfolds the dramatic events of that formative season It s enough to make you believe once again in the spirit of the sport Dribbling a Basketball on the Road to Damascus Charley Rosen,2025-10-28 A coming of age novel that takes us from a very tall boy s discovery of his love of basketball to a young man who engages in point shaving while a college player on his way to NBA brilliance with a shadow hanging over him a book that sheds light on both the sheer beauty and some of the ugliness in the game A bildungsroman and the most autobiographical yet of Charley Rosen s many works of fiction nonfiction and reportage on the subject of basketball Dribbling a Basketball on the Road to Damascus tells the story of the life of Chazz Klein a power forward and elite scorer who starts at Metropolitan College and ends up on the Knicks by way of the Detroit Pistons Klein loves the game that helped him survive his childhood and find meaning But his awkwardness early in life also stays with him as both love and long lasting meaning elude him except in small doses And yet he does achieve across the journey represented in these pages that rarest of gifts a kind of humility an acceptance of himself and the peace that goes with that Trouthe, Lies, and Basketball Charley Rosen,2019-09-24 Elliot Hersch is given a basketball on his tenth birthday and cuts a deal with his disapproving father if he makes straight As he is allowed to play Modeling his game on the basketball heroes of his time

Clyde Frazier Oscar Robertson Magic Johnson and especially Larry Bird Elliott becomes one of the finest high school basketball players in New York Trying to steer clear of the corruption and sleaze in the big college programs Elliott signs with the seemingly clean cut University of Southern Arizona USA partly to fulfill his promise to his father whose one piece of advice about life is Tell the truth always A quote from Chaucer his father s favorite writer guides both father and son Trouthe is the hiest thing that man may kepe What he finds at the USA and then the NBA is a far cry from untarnished trouthe Elliott is challenged at every turn tangling at the end of the day with what is most true the game Can Elliott truly play basketball And if not what is left of his life Trouthe Lies and Basketball is an epic comic tale structured somewhat like a gripping basketball game completely with literary time outs of a basketball player coming to terms with the world as it is his talents as they are Rosen s characters even the mostly unseemly are all heart and by the end they leave those hearts on the hardwood

Perfectly Awful Charley Rosen,2014-08-14 During the 1972 1973 basketball season the Philadelphia 76ers were not just a bad team they were fantastically awful Doomed from the start after losing their leading scorer and rebounder Billy Cunningham as well as head coach Jack Ramsay they lost twenty one of their first twenty three games A Philadelphia newspaper began calling them the Seventy Sickers and they duly lost their last thirteen games on their way to a not yet broken record of nine wins and seventy three losses Charley Rosen recaptures the futility of that season through the firsthand accounts of players participants and observers Although the team was uniformly bad there were still many memorable moments and the lore surrounding the team is legendary Once when head coach Lou Rubin tried to substitute John Q Trapp out of a game Trapp refused and told Rubin to look behind the team s bench whereby one of Trapp s friends supposedly opened his jacket to show his handgun With only four wins at the All Star break Rubin was fired and replaced by player coach Kevin Loughery In addition to chronicling the 76ers woes *Perfectly Awful* also captures the drama culture and attitude of the NBA in an era when many white fans believed that the league had too many black players **Aethlon** ,2004

The journal of sport literature [The Pivotal Season](#) Charley Rosen, **Rapture** Nick Nurse,2020-10-13 Nick Nurse distills the wisdom insight and experiences that helped him lead the Toronto Raptors to the NBA championship in his first year as head coach Foreword by Phil Jackson NBA fans had modest expectations for rookie coach Nick Nurse and his Toronto Raptors But what those naysayers didn t realize was that Nurse had spent the past thirty years proving himself at every level of the game from youth programs and college ball to the NBA D League and Britain s struggling pro circuit While few coaches have taken such a circuitous path to pro basketball s promised land the journey which began at Kuemper Catholic high school in Carroll Iowa forged a coach who proved to be as unshakable as he is personable On the road he is known to bring his guitar and keyboard for late night jazz and blues sessions In the locker room he s steadfast and even keeled regardless of the score On the court he pulls out old school tactics with astounding success A rookie in name but a veteran in attitude Nurse is seemingly above the chaos of the game and with only two seasons on his r sum has already established

himself as one of the NBA's most admired head coaches. Now in this revealing new book, equal parts personal memoir, leadership manifesto, and philosophical meditation, Nurse tells his own story. Given unprecedented access inside the Raptors locker room, readers get an intimate study of not only the team culture he has built but also of a rookie coach's unique dynamic with the star players such as Kawhi Leonard, Kyle Lowry, and Pascal Siakam, who helped trail-blaze the 2019 championship run. As much for readers of Ray Dalio as for fans of John Wooden and Pat Summitt, *Rapture* promises to be a necessary read for anyone looking to forge their own path to success.
