Tales from Portlaw Volume Two - The Priest's Calling Card William Forde, 2014-09-09 I grew up on my mother s stories Although an Irish woman of small stature and imaginative mind stories didn t come any taller than those tales told by my mother They would stretch the bounds of one s credulity beyond the realms of possibility and yet she always made me want to believe them Having been persuaded to return to writing I decided to recount some of the stories told to me by my mother long ago Being a person with my own imagination I have taken the germ of her tale and elaborated it with the aid of 70 years of wisdom and a splash of literary licence to come up with the final result The Priest s Calling Card is about a Portlaw Priest who leaves his walking stick outside any house he visits as a sign of his presence there and with the clear understanding he is never to be interrupted during his home visits by any other callers to the house where he is Priest and Nun Julia McNair Wright, 1871 Massekhet Hullin Tal Ilan, 2017-02-27 The Babylonian Talmud s Tractate Hullin is the longest in the Order of Qodashim with twelve chapters and over 140 pages The Order of Qodashim holy things in general deals with the Temple The word hullin however means profane things and actually describes the kosher slaughter of beasts for human consumption outside the temple Even though this topic is not overtly gendered and neither does it pertain specifically to women Tal Ilan discusses over 100 traditions that touch on women and gender She shows that women forever served as good tools with which to discuss various topics such as halakhic reliability or the use of magic but more specifically that while the tractate is intensely interested in beasts and beast anatomy women most often serve as points of comparison with beasts for authors of the Talmud In this way the rabbinic world view of the intermediate position of women between human and beast is repeatedly demonstrated throughout the tractate **The Postconciliar Priest** Raymond A.
