**The Wedding at Cana** V.M. Liew, 2014-08-04 It seems that the glory of Christ has departed from the mind and hearts of many Christians Today the word glory or phrases such as glory of God and glorifying God are commonly used by Christians and thus have evolved into clichés They have lost their originally intended meanings Christians are not experiencing the glory of Christ and the Kingdom of God that is here and now Are you experiencing the glory and the kingdom in your life If not this book has the answers for you Like John 2 1 11 this book is a foretaste of glory divine It all overflows here faith glory kingdom meaning celebration blessing joy salvation Jesus the Lord and us who receive newness of life The author V M Liew is an adroit semiotician a grand interpreter of signs especially this first sign in John 2 by which Jesus revealed his Messianic glory and so much more I'm greatly encouraged by this book and you will be too Its a must read Dr David Naugle distinguished professor and chair and professor of philosophy Dallas Baptist University and author of *Reordered Love Reordered Lives Learning the Deep Meaning of Happiness* Eerdmans 2008

*The Outstretched Arm of Love* Ajit Gomez, 2024-10-11 This book is to make present the love of God in Christ that reaches out to all people from age to age infinite and unfathomable in its richness There are real life stories of people who have been transformed by this love of God and those who in turn having experienced this love dared to

love others It has an informal easily readable understandable and capturing style whilst touching the heart deeply the poetic narrative inculcates sound wisdom and knowledge to the reader Any chapter can be read at random and conveys a profound take home message leaving an indelible imagery in the mind The reading of this book will give the reader a working knowledge of the Holy Bible and some basic tenets of the Christian faith from a Catholic perspective It has the potential to bring restoration comfort and healing when it is approached with an open heart It opens the door to make a step of faith based on sound evidence as well as strengthens those with a lively faith to continue their journey of faith rooted in Christ Finally it is unique in that it is addressed to the prison population written during the COVID 19 lockdown period and offers hope to all especially in the face of numerous current worldwide problems from climate change to the Ukraine Russia conflict The Outstretched Arm of Love comes with an assurance of blessing and spiritual wealth to the reader Q & A Queer And Asian David L. Eng, Alice Y. Hom, 1998-08-24 What does it mean to be queer and Asian American at the turn of the century The writers activists essayists and artists who contribute to this volume consider how Asian American racial identity and queer sexuality interconnect in mutually shaping and complicating ways Their collective aim in the words of the editors is to articulate a new conception of Asian American racial identity its heterogeneity hybridity and multiplicity concepts that after all underpinned the Asian American moniker from its very inception Q A approaches matters of identity from a variety of points of view and academic disciplines in order to explore the multiple crossings of race and ethnicity with sexuality and gender Drawing together the work of visual artists fiction writers community organizers scholars and participants in roundtable discussions the collection gathers an array of voices and experiences that represent the emerging communities of a queer Asian America Collectively these contributors contend that Asian American studies needs to be more attentive to issues of sexuality and that queer studies needs to be more attentive to other aspects of difference especially race and ethnicity Vigorously rejecting the notion that a symmetrical relationship between race and homosexuality would weaken lesbian gay and queer movements the editors refuse to believe that a desirably queer world is one in which we remain perpetual aliens queer houseguests in a queer nation **The Cinema of Ang Lee** Whitney Crothers Dilley, 2014-12-23 Born in Taiwan Ang Lee is one of cinema s most versatile and daring directors His ability to cut across cultural national and sexual boundaries has given him recognition in all corners of the world the ability to work with complete artistic freedom whether inside or outside of Hollywood and two Academy Awards for Best Director He has won astounding critical acclaim for Crouching Tiger Hidden Dragon 2000 which transformed the status of martial arts films across the globe Brokeback Mountain 2005 which challenged the reception and presentation of homosexuality in mainstream cinema and Life of Pi 2012 Lee s first use of groundbreaking 3D technology and his first foray into complex spiritual themes In this volume the only full length study of Lee s work Whitney Crothers Dilley analyzes all of his career to date Lee s early Chinese trilogy films including The Wedding Banquet 1993 and Eat Drink Man Woman 1994 period drama Sense and Sensibility 1995 martial arts
