Goosebumps now on Disney Robby and his sister Karla beg their parents to take them to a big carnival that has opened on the other side of town When they arrive the two kids are delighted by the rides the sideshow the interesting displays and the great food booths They wander away from their parents and find themselves at a less trafficked area at the back of the carnival Inside a large penned in area they see a dejected looking boy about their age sitting on the grass A sign on the tall metal fence reads PLEASE DO NOT FEED THE WEIRDO The kids are reluctant to disobey the sign but the boy seems really nice Karla hands him her cone through the fence He thanks her very politely He eats the ice cream delicately at first then ravenously noisily and as Robby and Karla stare in horror he transforms into a raging hairy beast      **Secrets of the Weird** Chad Stroup, 2017-07-11
