## **The Weretiger Paperback:**

**Tracking the Weretiger** Patrick Newman, 2012-09-26 Drawing on dramatic accounts by European colonials and on detailed studies by folklorists and anthropologists this work explores intriguing age old Asian beliefs and claims that man eating tigers and little tigers or leopards alike were in various ways supernatural It is a serious work based on extensive research written in a lively style Fundamental to the book is the evocation of a long vanished world When a man eater struck in colonial times people typically said it was a demon sent by a deity or even the deity itself in animal form punishing transgressors and being guided by its victims angry spirits Colonials typically dismissed this as superstitious nonsense but given traditional ideas about the close links between people tigers and the spirit world it is quite understandable Other man eaters were said to be shapeshifting black magicians The result is a rich fund of tales from India and the Malay world in particular and while some people undoubtedly believed them others took advantage of man eaters to persecute minorities as the supposed true culprits The book explores the prejudices behind these witch hunts and also considers Asian weretiger and wereleopard lore in a wider context finding common features with the more familiar werewolves of medieval Europe in particular

Antaeus,2016-11-13 When werewolves reveal themselves and start hunting humans it rekindles an ancient war between werewolf and weretiger a war that will determine the survival of humanity Alexander Malkin discovered werewolves were real when they killed his parents Only the intervention of a weretiger saved Alex from the same fate but his salvation came with a price A few months later Alex was shocked and terrified when he morphed into a weretiger for the first time When he was told that weretigers were created to hunt and kill lycans werewolves he was curious after his first taste of lycan blood Alex was all in From then on it was all about killing werewolves before they killed humans and Alex was a natural at it When the woman he loved was killed as an act of revenge he became an unstoppable force vowing to kill every werewolf on earth

White Tiger Greta Van Der Rol,2013-11-06 New York is no place for a tiger not for weretiger Sally Carter or for the white tiger she finds in a Harlem basement guarding an enormous stash of heroin Sally s daring rescue of the tiger attracts journalist Dave Gardner who sniffs a story and a lead to a drug baron he s been trying to nail for years While Sally is determined that the white tiger will find a home in a sanctuary Gardner follows a tenuous trail from the tiger back to the drug cache and a whole lot of trouble Soon Sally and her weretiger husband find themselves mixed up in a drug baron s plot for revenge where even their amazing weretiger talents may not be enough to save Gardner or themselves **White Tiger**

Greta van der Rol,2013-11-06 New York s concrete jungle hides predators more dangerous than tigers New York is no place for a tiger especially not for Sally Carter a weretiger living quietly with her husband Ash But when Sally discovers a white tiger imprisoned in a Harlem basement and forced to guard a heroin stash she risks everything to set it free Her daring act draws the attention of journalist Dave Gardner whose hunt for a drug baron s empire has already put him in over his head His reckless pursuit drags Sally and Ash into the fight and suddenly the weretiger couple are facing a ruthless enemy who will stop at nothing for revenge From New York s dark underworld to the forests of North Carolina Sally and Ash must use their claws cunning and courage to protect Dave and themselves before the hunt turns fatal White Tiger is a fast paced paranormal thriller of action danger and the raw untamed power of the tiger As well as being a great read I learned more

about tigers than I knew before The plot has a few twists and turns that kept me flicking to the next page on my kindle app as I needed to find out what was going to happen next One of the things I liked most about the book and its predecessor is the fact that van der Rol lets her tigers be tigers There is no pretense of big cats being simply well big cats of the domestic variety They are savage and merciless and they kill when necessary
