The result is that the system put in place to keep the United States safe may be putting us in greater danger. In **Top Secret America**, award-winning reporters Dana Priest and William Arkin uncover the enormous size, shape, mission, and consequences of this invisible universe of over 1,300 government facilities in every state in America, nearly 2,000 outside companies used as contractors, and more than 850,000 people granted Top Secret security clearance.
