**TORAH

A Renewed Encounter with Scripture

BYNAI B'RYTH

"Pinchas Peli's Torah Today is a remarkably effective way of helping the ancient, sacred traditions alive in contemporary secular man to a manner that is both edifying and inspiring. Rabbi Halperin is to read the end of a line, the end of a chapter, and the part of a part."
Norman Lamm

"The sage advice is that we should read the Torah as if I were given today. He does with it from us then up to the advice as beautifully as Pinchas Peli's Torah Today. And I, cover Sabbath, he kindly made Pinchas Peli's commentary for the portion of the week, the Torah will come, again and again, as if I were given for my day."
Ezra L. Eckstein

"Pinchas Peli's level, warm and relevant Torah commentaries have added a ready resource in the words of his many readers. I know that Torah Today will have many appreciative readers, I exempt him."
W. Gordon Platt

"Pinchas Peli brings to the forefront his exceptional gifts of scholarly Jewish learning, unpretentious spirituality, and the creative imagination of the post-modern, making the post-modernist well aware in the Torah more vividly alive and relevant. Torah Today should be an enduring part of every Jewish home and school library."
Halle Kaban

"The commentary on the Torah will answer many questions about Judaism by people seeking a religious perspective in the difficult world in which we live. As someone involved in Jewish-Chinese relations, I have long awaited the publication of a book of this kind."
Moses J. Dubov, O.P.

"Pinchas Peli's essays on the weekly portions of the Torah are more than traditionally commentaries with traditional interpretations with a sharp contemporary angle that gives his Torah an unusual significance. He inspires, not by preaching, but by enlightening through a reading of the text that makes the words live, not just read."

Schulweis, 2004-11-01 The central element of Jewish worship is the yearly cycle of reading the first five books of the Bible the Five Books of Moses called the Torah in Hebrew Torah Today a compilation of fifty four essays that grew out of Pinchas Peli s Torah column in the Jerusalem Post comments upon the weekly readings from the Torah Written in a clear style each essay brings the reader closer to the rich spiritual world of Torah as it confronts the challenges of modern society These commentaries which emulate the traditional midrash have long been essential reading for Jews throughout the world families at the Shabbat dinner table pulpit rabbis teachers and students of the Bible Christians too have been among Rabbi Peli s devoted readers This reissue of Torah Today with a new preface by Rabbi Harold M Schulweis makes this classic work available to a new generation of Bible students Jacket Torah Today Robert M. Bleiweiss, 1988 *The Bible's Top 50 Ideas* Rabbi Dov Peretz Elkins, Abigail Treu, 2013-09-01 All the important moral ideas of the modern world are based on the key biblical verses analyzed in this collection What generally happens when someone picks up a copy of the Bible Often it is put down within seconds because readers see endless verses which turn them off Finally here is an accessible book about the Bible that focuses on its great moral principles Human beings are created in the image of God Love your neighbor as yourself You shall not stand idly by the blood of your neighbor You shall love the Lord your God with all your heart and with all your soul and with all your might Justice justice shall you pursue Dov Peretz Elkins believes that if a reader understands fifty verses of the five thousand in the Bible only 1 percent he or she will begin to grasp the essence of the Bible This remarkable explanation of the Bible shows readers how it can serve as a light that illuminates a path through the confusion and problems in their personal and communal lives The result is a life that is better and more serious a life with meaning purpose and direction The Bible s Top 50 Ideas Presents the Bible s essential ideas in readable engaging fashion Focuses on the contemporary value of the Bible Uses commentaries and explanations from sources that are modern as well as ancient Christian as well as Jewish and popular as well as scholarly Elkins not only simplifies the Bible but also demonstrates how its fundamental ideas and concepts have inspired four thousand years of civilization to follow its teachings The result is a moral legal and literary foundation that remains the basis of all democratic and principled societies to this day **Modern Science in the Bible** Ben Hobrinc, 2011-02-08 Modern Science in the Bible shows that the Bible is not out of date but that it was in fact thousands of years ahead of science when it was written Used as a reference tool or merely to underline the trustworthiness of the Bible this book succinctly demonstrates hard scientific facts from the Bible that modern science has only recently discovered Ben Hobrinc although a biologist writes in layman s terms to describe current scientific debates and shows where scientific theories or conclusions differ from the Bible and offers explanations of the alleged differences In Modern Science in the Bible Hobrinc not only defends the Bible he lets others share his astonishment about the relevance of biblical rules The book underlines the reliability of the Bible in the field of science and

presents hard scientific facts that are structured around themes such as combating epidemics hygiene nutrition and evolution *Present Tense* ,1987 The magazine of world Jewish affairs **Bible Review** ,1988 Essential Torah George Robinson,2006-10-31 For those studying the Bible for the first time or simply curious about its history and contents this is a complete guide to the five books of Moses New Catholic World ,1988 *Elenchus of Biblica* ,1990 **The Jewish Spectator** ,1989 **Immanuel** ,1987 Hebrew studies ,2005 **Journal of Psychology and Judaism** ,1992 **Tradition** ,1987 A journal of Orthodox Jewish thought American Book Publishing Record ,2003 **Index to Book Reviews in Religion** ,1989 Index to Jewish Periodicals ,2005 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests *The New York Times Biographical Service* ,1989 A compilation of current biographical information of general interest **The Catholic Periodical and Literature Index** ,1988 **The Bible for Today's Church** Robert A.
