Tormented Mirror:

Laugh Lines Carrie Conners, 2022-04-19 Humor in recent American poetry has been largely dismissed or ignored by scholars due in part to a staid reverence for the lyric Laugh Lines Humor Genre and Political Critique in Late Twentieth Century American Poetry argues that humor is not a superficial feature of a small subset but instead an integral feature in a great deal of American poetry written since the 1950s Rather than viewing poetry as a lofty serious genre Carrie Conners asks readers to consider poetry alongside another art form that has burgeoned in America since the 1950s stand up comedy Both art forms use wit and laughter to rethink the world and the words used to describe it Humor's disruptive nature makes it especially whetted for critique Many comedians and humorous poets prove to be astute cultural critics To that end Laugh Lines focuses on poetry that wields humor to espouse sociopolitical critique To show the range of recent American poetry that uses humor to articulate sociopolitical critique Conners highlights the work of poets working in four distinct poetic genres traditional received forms such as the sonnet the epic procedural poetry and prose poetry Marilyn Hacker Harryette Mullen Ed Dorn and Russell Edson provide the main focus of the chapters but each chapter compares those poets to others writing humorous political verse in the same genre including Terrance Hayes and Anne Carson This comparison highlights the pervasiveness of this trend in recent American poetry and reveals the particular ways the poets use conventions of genre to generate and even amplify their humor Conners argues that the interplay between humor and genre creates special opportunities for political critique as poetic forms and styles can invoke the very social constructs that the poets deride

Prose Poetry in Theory and Practice Anne Caldwell, Oz Hardwick, 2022-06-01 Prose Poetry in Theory and Practice vigorously engages with the Why and the How of prose poetry a form that is currently enjoying a surge in popularity With contributions by both practitioners and academics this volume seeks to explore how its distinctive properties guide both writer and reader and to address why this form is so well suited to the early twenty first century With discussion of both classic and less well known writers the essays both illuminate prose poetry's distinctive features and explore how this outsider form can offer a unique way of viewing and describing the uncertainties and instabilities which shape our identities and our relationships with our surroundings in the early twenty first century Combining insights on the theory and practice of prose poetry Prose Poetry in Theory and Practice offers a timely and valuable contribution to the development of the form and its appreciation amongst practitioners and scholars alike Largely approached from a practitioner perspective this collection provides vivid snapshots of contemporary debates within the prose poetry field while actively contributing to the poetics and craft of the form

See Jack Russell Edson, 2009-04-05 An artist who moonlights as a dentist A worm who's eternal A farmer who milks his cow to death Not to mention the guy with a belly button for an eye Russell Edson self named Little Mr Prose Poem returns with See Jack a book of fractured fairy tales whose impeccable logic undermines logic itself a book that champions what he has called elsewhere the dark uncomfortable metaphor What better way to die he writes in the

final prose poem than waiting for the fat lady to sing in the make believe of theater where nothing's real not the fat lady not even death See Jack may be Edson's best book yet proof that his imaginative powers keep growing What a deliciously scary thought Peter Johnson **Talking Verse** ,2004 **Field** ,1999 **The Georgia Review** ,2001 **The Tormented Mirror** Russell Edson,2001-02-22 This is the first book in the Pitt Poetry Series by this popular and enigmatic poet considered the foremost writer of prose poetry in America In eleven collections over thirty years Edson has created his own poetic genre a surreal philosophical fable easy to enter but difficult to leave behind In *The Tormented Mirror* Edson continues and refines his form in seventy three new poems **Fence** ,2002 **Puerto Del Sol** ,2003 **The Strand Magazine** ,1892 **No Boundaries** Ray González,2003 Here is both a history and a projection of the contemporary American prose poem gathered by one of our most knowledgeable editors No anthology of contemporary prose poetry has ever presented such an abundance of selections from such a generous range of iconic and younger poets No Boundaries features 24 writers whose prose poems have been and continue to be critical to the development of this one of the most exciting captivating and magical of poetic forms From long established poets such as Robert Bly Charles Simic Russell Edson to poets of the new guard such as Campbell McGrath Naomi Shihab Nye Peter Johnson Amy Gerstler and John Bradley we are treated to feast on a veritable who's who in this increasingly important genre **Great American Prose Poems** David Lehman,2008-06-18 A prose poem is a poem written in prose rather than verse But what does that really mean Is it an indefinable hybrid An anomaly in the history of poetry Are the very words prose poem an oxymoron This groundbreaking anthology edited by celebrated poet David Lehman editor of *The Best American Poetry* series traces the form in all its dazzling variety from Poe and Emerson to Auden and Ashbery and on right up to the present In his brilliant and lucid introduction Lehman explains that a prose poem can make use of all the strategies and tactics of poetry but works in sentences rather than lines He also summarizes the prose poem's French heritage its history in the United States and the salient differences between verse and prose Arranged chronologically to allow readers to trace the gradual development of this hybrid genre the poems anthologized here include important works from such masters of American literature as Gertrude Stein William Carlos Williams e e cummings Hart Crane Ernest Hemingway James Schuyler Allen Ginsberg Frank O Hara and Elizabeth Bishop Contemporary mainstays and emerging poets Robert Bly John Ashbery Charles Simic Billy Collins Russell Edson James Tate Anne Carson Yusef Komunyakaa and Lydia Davis among them are represented with their best work in the field The prose poem is beginning to enjoy a tremendous upswing in popularity Readers of this marvelous collection a must have for anyone interested in the current state of the art will learn why **Renascence** ,1962 *Via Vitae* S. Slater (Jr.),1917 *The Believer* ,2003 **The Harvard Advocate** ,1947 *Poets & Writers* ,2001 *Poet's Book-shelf* Peter Davis,2005 Poets list authors and titles that have been essential in the development of their art and offer commentary on their lists **Rain Taxi Review of Books** ,2000 **Another Chicago Magazine** ,2001
