Davis,Mary Collins,1998-11-15 The tradition of storytelling and folklore reaches deeply into the American notion of national identity and among the more prominent emblems of American culture stands the cowboy Despite the attempts to modernize the cowboy of our frontier past today s mounted horsemen have learned how to adapt to a rapidly changing world while tenaciously holding on to their heritage Tall tales and yarns make up a great amount of the folklore of this literary tradition yet woven throughout such stories stir an American mixture of humor wisdom and philosophy In Horsing Around Clayton Davis and Collins draw upon the vast amount of anecdotes portraying the lighter side of working on the range The collected vignettes in Horsing Around will provide the collector of Texana greater accessibility to stories that are often told only at public performances Jewries at the Frontier Sander L. Gilman,Milton Shain,1999 Traversing far flung Jewish communities in South Africa Australia Texas Brazil China New Zealand Quebec and elsewhere this wide ranging collection explores the notion of frontier in the Jewish experience as a historical geographical reality and a conceptual framework As a compelling alternative to viewing the periphery only as a locus of dispossession and exile from the homeland this work imagines a new Jewish history written as the history of the Jews at the frontier In this new history governed by the dynamics of change confrontation and accommodation marginalized experiences are brought to the center and all participants are given voice By articulating the tension between the center

periphery model and the frontier model Jewries at the Frontier shows how the productive confrontation between and among cultures and peoples generates a new multivocal account of Jewish history The Master Communicator's Handbook Teresa Erickson, Tim Ward, 2015-11-27 This book is for people who want to change the world Here s the challenge it s impossible to change the world all by yourself To have an impact you need to communicate In these pages we share with you what we ve learned over 30 years as professional communicators and advisors to leaders of global organizations We seek to move each client from competence to excellence As authors our goal is to give you the tools you need to become the most effective and powerful communicator you can be We want you to become a catalyst for transformation We want you to discover that you have the potential to change the world **Uncle John's Bathroom Reader Plunges Into Texas Bigger and Better** Bathroom Readers' Institute, 2013-04-01 Uncle John ropes wrassles and rides into the Lone Star State in this updated king sized grab bag of all things Texas Packed with 60 new pages Uncle John s Bathroom Reader Plunges into Texas Expanded Edition is bigger and badder than the previous edition This cowboy sized collection of Texas talents truisms and tales offers fans everything they love about the Lone Star State its colorful history fascinating figures good grub bona fide Texas brews and much more Like what How about Cowboy street cred How to tell a drugstore cowboy from the real deal Hogs gone wild The funniest Texas tombstones A few facts about the grand Rio Grande Oil myths rodeo clowns water wars and all the weird wild and wonderful things that can be found only deep in the heart of Texas **Transactions** Nebraska.
