It is a powerful Turkish language learning tool that gives you a headstart in real conversational Turkish, particularly if you plan to settle and live in Turkey or visit Turkey for business or pleasure, or if your significant other is Turkish. The section Turkish for impressing is jam packed with expressions you can use to impress your Turkish friends or business associates. These are expressions that lend fluency to your speech: surprise, astonishment, politeness, anger, slang, etc. When using them, you appear to know more than you might actually know, because a lot of these phrases are not of the kind you find in a regular Turkish grammar book. Your Turkish friends will definitely be amused and impressed with your use of the kind of active vocabulary you can acquire through this unique resource. The section Turkish for love gives you the linguistic power to deepen your existing romantic relationship or to forge a new one in a unique way. The phrases cover different important categories such as Compliments, Pick up Lines, Requests for Love, Marriage Proposals, Wrapping up Conflicts, and much more. Learn to ask for a kiss or a hug in Turkish. Learn how to tell her/him how sexy she/he is. Learn how to ask for forgiveness when the going gets tough. Learn how to attract her/his attention with one of our pick up lines. Give a fresh boost to your love life. There is also a section on vocabulary building with properly categorized essential words.
