## **Twelve Jews Discover Messiah:**

*Twelve Jews Discover Messiah* Ben Hoekendijk, 1992-01-01 *First-Century Christians in Twenty-First Century Africa* Nathan P. Devir, 2022-02-28 Millions of African Christians who consider themselves genealogical descendants of one of the Ten Lost Tribes of Israel in other words Jewish by ethnicity but Christian in terms of faith are increasingly choosing a religious affiliation that honors both of these identities Their choice Messianic Judaism Messianic adherents emulate the Christians of the first century observing the Jewish commandments while also affirming the salvational grace of Yeshua Jesus As the first comparative ethnography of such fulfilled Jews on the African continent this book presents case studies that will enrich our understanding of one of global Christianity's most overlooked iterations [Answering Jewish Objections to Jesus](#) Michael L. Brown, 2000-02 I won't betray my ancestors [Evangelizing the Chosen People](#) Yaakov Ariel, 2003-06-19 With this book Yaakov Ariel offers the first comprehensive history of Protestant evangelization of Jews in America to the present day Based on unprecedented research in missionary archives as well as Jewish writings the book analyzes the theology and activities of both the missions and the converts and describes the reactions of the Jewish community which in turn helped to shape the evangelical activity directed toward it Ariel delineates three successive waves of evangelism the first directed toward poor Jewish immigrants the second toward American born Jews trying to assimilate and the third toward Jewish baby boomers influenced by the counterculture of the Vietnam War era After World War II the missionary impulse became almost exclusively the realm of conservative evangelicals as the more liberal segments of American Christianity took the path of interfaith dialogue As Ariel shows these missionary efforts have profoundly influenced Christian Jewish relations Jews have seen the missionary movement as a continuation of attempts to delegitimize Judaism and to do away with Jews through assimilation or annihilation But to conservative evangelical Christians who support the State of Israel evangelizing Jews is a manifestation of goodwill toward them **An Unusual Relationship** Yaakov Ariel, 2013-06-24 In this enormously well researched and gracefully argued book Ariel develops a nuanced theme the complexity ambivalence and even paradox that has characterized conservative Protestant beliefs regarding Jews and Israel and the diverse responses among Jews First rate scholarship presented in a pleasingly accessible style Stephen Spector author of *Evangelicals and Israel The Story of American Christian Zionism* It is generally accepted that Jews and evangelical Christians have little in common Yet special alliances developed between the two groups in the nineteenth and twentieth centuries Evangelicals viewed Jews as both the rightful heirs of Israel and as a group who failed to recognize their true savior Consequently they set out to influence the course of Jewish life by attempting to evangelize Jews and to facilitate their return to Palestine Their double edged perception caused unprecedented political cultural and theological meeting points that have revolutionized Christian Jewish relationships **An Unusual Relationship** explores the beliefs and political agendas that evangelicals have created in order to affect the future of the Jews This volume offers a fascinating comprehensive analysis of the roots manifestations and

consequences of evangelical interest in the Jews and the alternatives they provide to conventional historical Christian Jewish interactions It also provides a compelling understanding of Middle Eastern politics through a new lens Yaakov Ariel is Professor of Religious Studies at the University of North Carolina at Chapel Hill His book *Evangelizing the Chosen People* was awarded the Albert C Outler prize by the American Society of Church History In the Goldstein Goren Series in American Jewish History

**Facts & Myths about the Messianic Congregations in Israel 1998-1999** Kai Kjaer-Hansen, Bodil F. Skjøtt, 1999

**Mapping Messianic Jewish Theology** Richard Harvey, 2009 Richard Harvey himself a Messianic Jew maps the diverse theological terrain of this young movement He makes an original and innovative contribution by clarifying affirming and constructively critiquing the present state of its theology The book examines five topics of theological concern God's nature activity and attributes can the one God of Israel and the Christian Trinity be the same The Messiah Messianic Jewish Christologies Torah in theory the meaning and interpretation of the Torah in the light of Jesus Torah in practice Messianic practice of Sabbath food laws and Passover Eschatology the diverse models employed within the movement to describe the future of Israel Within each topic Harvey explores the range of Messianic Jewish views and their roots in both Jewish and Christian theological traditions The author proposes a typology of eight theological tendencies within Messianic Judaism and identifies issues where further theological development is required

**Honey from the Rock** Roy H. Schoeman, 2019-04-08 Roy Schoeman a Jewish convert to Catholicism and best selling author of *Salvation Is From The Jews* once again shows the clear links between Judaism and Catholicism in these inspiring stories of sixteen Jews who became fulfilled Jews as Schoeman says through their spiritual journeys to the Catholic Church The sixteen people whose stories are told here are a variety of Jews including some who came from secularized liberal or even atheistic backgrounds while others came from Orthodox Judaism Some were well trained Jews others unschooled in Judaism some rich and wildly successful others down and out But their common link was they all had a profound longing for God that gave them no peace until they found God Himself in the Catholic Church Some of these converts are famous people like Edith Stein Alphonse Ratisbonne Karl Stern and Rabbi Zolli while others are less well known but all have powerful stories of life changing spiritual transformations Roy Schoeman's work *Honey from the Rock* illuminates the essential link between the Jewish faith and Catholicism through the lives of those who were born into the Jewish faith and have come to know the fulfillment of their faith in Christ and His Catholic Church I recommend *Honey from the Rock* to anyone who desires to understand the revealed faith of the God of Abraham Isaac and Jacob which is fulfilled in Jesus Christ and His Mystical Body the Church *Honey from the Rock* illustrates in a most concrete way the truth expounded so well by Roy Schoeman in his earlier work *Salvation is from the Jews* which I also wholeheartedly recommend Raymond L Burke Archbishop of Saint Louis This book is far more than just another collection of conversion stories It is a spiritual pathway with each story creating a stepping stone to transformation These life changing encounters will deepen your faith and provide insights into the riches of the Catholic

Church It is filled with Jewish wit and wisdom and climaxes in the radical transformation of conversion I highly recommend this book to all who wish to grow deeper and learn about the Faith from a Jewish point of view You won't be disappointed Brother Bob Fishman B S C D Roy Schoeman has given us all a great gift in showing us the mysterious and wonderful ways in which Y shua the Messianic Son of David and His Mother Miryam continue to speak deeply to the longing hearts of that people to whom more than all others we Gentiles owe an incalculable debt Mark Shea Senior Content Editor CatholicExchange.com God's covenant with Israel was neither revoked nor abolished It was fulfilled in Jesus Christ and Honey from the Rock is powerful proof of that fulfillment Israel's prayer and piety vocation and sacrifice all are transformed as they are restored All find their completion in the lives we encounter here Pope Pius XI put it well when he said that Spiritually we are Semites May all Catholics be enriched by this movement of the Spirit because for us it's a movement homeward Scott Hahn author Rome Sweet Home This is a gripping book sketching powerfully the Jewish metaphysical restlessness that nothing can satisfy until they taste Honey from the Divine Rock and recognize in Christ the King of the Jews and the Roman Catholic church as fulfillment of Judaism This book is a constellation made up of sixteen sons and daughters of Israel for whom overwhelming talents worldly success money pleasure brought nothing but despair Each one of them had its own path but what is striking is the role played by the Holy Virgin and the holy hunger for the Eucharist in some of the most amazing conversions This book will bring joy to its readers and rekindle their hope in the power of G
