## **Under The Fang:**

*Under the Fang* Robert R. McCammon, 1991 The ultimate vampire anthology Imagine a time when a new and terrible plague infects humankind a plague far more hideous more terrifying than any virus or bacteria could ever be Imagine a time when a plague of vampirism spreads geometrically across the world until the dominant human species is a race of the undead Under the auspices of the Horror Writers of America Robert R McCammon has assembled seventeen stories which share the vision of his terrible new world daring tales from both well known and new writers of darkly imaginative fiction This edition of *Under the Fang* is limited to 750 copies slipcased numbered and signed by all contributors and should be considered the authoritative text Book jacket **The Horror Writers of America Present Under the Fang**, 1991 *China's Workers*

*Under Assault* Anita Chan, 2016-07-01 This important book contains case studies with substantive analysis of Chinese workers in a variety of settings state enterprises urban collectives township and village enterprises domestic private enterprises and foreign funded enterprises The cases include urban workers migrant workers from the countryside and workers who are sent to work outside of China The analytical framework for these case studies lays out why labor rights violations have been occurring in China and highlights the context in which these violations operate and the extent to which these selected cases are not isolated incidents Moreover the dilemma of Chinese workers is put into international perspective the context of the international labor market the setting of competitive minimum wages in Asia and the concern for Chinese workers rights taken up by the International Labor Organization ILO This book debunks the conventional wisdom that Chinese workers are thriving because the Chinese economy is booming Indeed the wage structures of these enterprises of different ownership types contribute to widening income disparities in China The book uncovers what exactly overseas Chinese entrepreneurship Taiwan and Hong Kong means at the factory level And it calls for a new approach to scrutinizing the phenomena of the so called Chinese economic miracle and its repercussions on other economies and labor markets
