Under Gone Bananas:

Barry Wallace Has Gone Bananas Barry J. Wallace,2006-05-20 A wise man wiser than my brother Bill once said Life is like a box of chocolates I don't know what that has to do with this book but it sure says a lot about my brother Bill My life on the other hand is like a banana split When people look at me they see a mostly vanilla ice cream cherry on top kind of guy Everything seems pretty normal Oh sure there are some cracked peanuts sprinkled on top but that only warns them that I may be a teensy weensy bit nuts What they really can't see is that under it all I've gone bananas A hilarious book sure to make you laugh

No More Bananas Jeroen Kraaijenbrink,2019-06-21 Feel better get done more and become a nicer person In this age of social media fake news individualism and information overload the certainties we relied on in the past are gone In our quest for assurance and support the only seemingly dependable pillar left is other people So we look to them But they are unsettled too And by looking to them we create and perpetuate our own vicious stress cycle As a result we lose our sensible selves And we go bananas But there is good news If we look around us there are people who withstand the collective lunacy and stay grounded They do something that most of us have a hard time doing they stay themselves And the best news is that what they can do you can do too It doesn't require any special talents or supernatural powers It only requires doing In this amiable open and accessible book Jeroen Kraaijenbrink takes you on his personal journey out of Bananaland Drawing from cognitive psychology martial arts Saint Benedict personal experience and a wide range of other sources the book offers a nine step approach with some remarkably practical advice for keeping a cool head in the collective lunacy Free yourself from the collective lunacy and reclaim your calm and sensible self [Mr. Cucumber Goes Bananas](#)
