

Understanding Eternal Security: Once Saved, Always Saved!

By Brent Knox

At Hometown Church, we have always taught the Biblical truth that all genuine believers in Christ are eternally secure. This doctrine of "eternal security" is also known as the doctrine of the "perseverance of the saints". This doctrine states that those individuals who are truly born again by the Spirit of God will be kept by God and will, by God's power, persevere in faith their whole lives. Therefore, we as believers in Christ are eternally secure—we have total assurance that we will be in heaven when we die.

Why is the issue of eternal security such an important doctrine? It relates to our joy in living and our confidence in God. There are so many Christians who suffer needlessly because they lack assurance of their salvation. They lack the confidence that their sins are completely forgiven and their place in heaven is eternally secure. Their lives are filled with doubt, guilt, fear, anxiety, and intense self-introspection. There is a better way to live. That is why God wants us to know for certain that we have eternal life. In fact, this is one of the reasons why the book of 1st John was written.

I write these things to you who believe in the name of the Son of God so that you may know that you have eternal life. 1 John 5:13

If God is loving, then He would want us to know with certainty, before we enter eternity, whether or not we have eternal life! Imagine being on a plane flight from New York City to London. About half way through the flight, the pilot announces over the PA system, "Ladies and gentlemen, I have good news and I have bad news." First the bad news. There was a slight oversight that occurred before we took off. Someone forgot to refuel the airplane. According to our calculations, the plane will run out of fuel and plunge into the ocean shortly before London. There will be no survivors. But the good news is that this is a very fine plane and everything on the plane is now free! You can enjoy in-flight movies for free! Order any beverage for free! Ask the attendants for anything! And they will provide the best comfort for you as they can during the last few hours of your life." The only person who will really be able to enjoy the next few hours will be the person with a parachute who can bail out before the plane crashes. Why? He knows that his life will continue on! In the same way, knowing with absolute assurance that we have eternal life adds greatly to our joy!

Let's help our people "know" that they have eternal life and that there is nothing they do that can rip that away!

Reasons for Believing in Eternal Security

1. The undeserving grace of God.

It is by grace we are saved.

*For it is by grace you have been saved, through faith—and this not from yourselves, it is the gift of God—not by works, so that no one can boast.
Ephesians 2:8-9*

Eternal life is freely given as a gift—not as a result of any human effort. If we admit that human merit cannot save us how can we say that human merit can

Eternal Security Charles F. Stanley, 1990-08-27 Do you ever find yourself wondering, "Is it actually possible to know beyond the shadow of a doubt that I am going to heaven? If you say that my salvation is eternally secure and that I can never lose it, does that mean that I can commit any sin and still go to heaven? How can an understanding of eternal security make a difference in my Christian life? With the wisdom and skill of a man who has personally wrestled with these questions, internationally known pastor and bestselling author Charles Stanley addresses the age-old issue of grace vs. works in this compassionate, straight-forward book. With questions at the end of each chapter, *Eternally Secure* is an excellent choice for individual or group study. I know from experience that until you settle once and for all the question of whether or not you are eternally secure, joy will elude you. Therefore, it is my prayer that God will use this book in your life and that in the very near future you will be able to face life with the confidence that comes through knowing you are eternally secure.

Whether you are a new Christian or a more mature believer in Christ, *Eternal Security*

Is it Biblical shows you how as a Christian you should follow with Christ and have the promise of eternal life which was and is pledged by Jesus Christ Perspectives on Eternal Security Kirk R. MacGregor, Kevauhnn Mattis, 2009-05-07 Eternal security or personal assurance of final salvation constitutes the single most important matter of practical theology in the Christian tradition For the past twenty centuries no other doctrine has exerted such a direct impact on the lives of lay Christians driving their daily actions guiding their permanent choices and shaping their psychology From the New Testament period onward a diversity of views on biblical interpretation anthropology and divine sovereignty have produced numerous models of eternal security However due to the early modern fracturing of Protestant thought along Reformed and Arminian lines today most evangelicals equate eternal security with Calvin's perseverance of the saints In an ecumenical vein this collection of essays aims to remedy the knowledge gap by bringing a breadth of biblical historical and philosophical perspectives to bear on the question of eternal security These essays comprise the first print anthology from the online theological journal Testamentum Imperium an international forum founded and edited by Kevauhnn Mattis featuring scores of first rate articles from Christian thinkers worldwide on the topic of eternal security This book therefore analyzes Calvin's model of perseverance alongside views on eternal security ranging historically from Clement of Rome to contemporary developments in philosophical theology and process theology Furthermore this book explores and strengthens the biblical roots of eternal security through an illuminating host of thematic studies on whole books and exegetical studies on particular passages Hence this volume will profit all who are interested in the scriptural foundations and historical outworkings of eternal security *Eternal Security* Paul D. Allison, 2006 **Believers' Eternal Security** Oppong Kyekyeku, 2021-10-05 How do you understand the concept of eternal salvation through Christ Jesus Can a believer lose his or her everlasting salvation given by God due to circumstance Are you afraid of losing your eternal salvation of grace through faith in Jesus since you believed Is there anything you can do to secure your everlasting salvation without losing it The answers to these questions and beyond are what this book is all about Believers eternal security is only based on eternal salvation through faith in Christ Jesus which guarantees our freedom in Christ because of the grace pertaining to salvation we cannot lose But regrettably many believers are still under oppression of fear for uncertainty of their eternal salvation They believed that they must hire security personnel to protect or hold their eternal salvation like an egg or work hard to secure it otherwise it will fall on the rock and break away for them to lose it which in fact is completely a delusional threat from the deceiver who is the devil that always contradicts the true Word of God Nowhere in the New Testament scriptures can you find such theory or doctrine it is totally and deliberately manmade fearmongering danger and confusing premature believers For if in fact you truly believed in Christ and have received salvation God who can never lie and can never change His mind has given it to you then it's eternal it's everlasting it's forever and it has no end You can never ever lose it irrespective of whatever happens Eternal salvation is and will never be partial to lose it halfway since God who promised believers is impartial Don't believe

any garbage more than the true living Word of God Believer's eternal security is confidently never losing the everlasting salvation received from God through Christ Because eternal salvation is not a reward to the righteous but a gift to the guilty Amen
