Understanding Soccer Hooliganism:

EBOOK: Understanding Soccer Hooliganism John Kerr,1994-10-16 English soccer hooliganism continues to be a serious problem both at home and abroad Claims about the success of recent preventative measures taken by the English soccer and police authorities are premature There are strong indications that soccer hooligans are still active and that they are adapting and changing their strategies and relocating their violent activities Over recent years much has been written about soccer hooliganism In this book Reversal Theory an insightful and coherent new eclectic approach in psychology is used to address soccer hooliganism in an innovative way Few previous accounts can provide the sophisticated understanding of the motivation behind soccer hooligan violence that Reversal Theory achieves Equipped with a real understanding of the psychology behind violent soccer hooligan activities those charged with dealing with the problem may adopt more effective counter measures This book must be of interest to all those who are involved in dealing with or studying soccer hooliganism and other similar forms of deviant behaviour such as delinquency and vandalism *Understanding Soccer Hooliganism* Kerr, John,1994-10-01 English soccer hooliganism continues to be a serious problem both at home and abroad Claims about the success of recent preventative measures taken by the English soccer and police authorities are premature There are strong indications that soccer hooligans are still active and that they are adapting and changing their strategies and relocating their violent activities Over recent years much has been written about soccer hooliganism In this book Reversal Theory an insightful and coherent new eclectic approach in psychology is used to address soccer hooliganism in an innovative way Few previous accounts can provide the sophisticated understanding of the motivation behind soccer hooligan violence that Reversal Theory achieves Equipped with a real understanding of the psychology behind violent soccer hooligan activities those charged with dealing with the problem may adopt more effective counter measures This book must be of interest to all those who are involved in dealing with or studying soccer hooliganism and other similar forms of deviant behaviour such as delinquency and vandalism Understanding Football Hooliganism Ramón Spaaij,2006-01-01 Football hooliganism periodically generates widespread political and public anxiety In spite of the efforts made and resources invested over the past decades football hooliganism is still perceived by politicians policymakers and media as a disturbing social problem This highly readable book provides the first systematic and empirically grounded comparison of football hooliganism in different national and local contexts Focused around the six Western European football clubs on which the author did his research the book shows how different clubs experience and understand football hooliganism in different ways The development and effects of anti hooligan policies are also assessed The emphasis throughout is on the importance of context social interaction and collective identity for understanding football hooliganism This book will be essential reading for anyone interested in football culture hooliganism and collective violence **The Irish Journal of Psychology** ,1996 Norbert Elias Eric Dunning,Stephen Mennell,2003 **Football and the English** Dave Russell,1997 Association football

has been a central feature of English life since late in the last century This book combines a survey of the rapidly growing literature on the game's history with new research analyses major changes which have taken place **Football Hooligans** Gary Armstrong,2003 This book examines how groups of young male fans come to be defined and identified as football hooligans and challenges the assumption that violence is wholly central to the match day experience for these supporters Rather the creation of identity is at the root of hooliganism with all the cultural values and rituals codes of honour and shame and communal patterns of behaviour and consumption that accompany it The author locates hooliganism historically within the milieu of an industrial working class culture and examines ideas of performance and ritual encompassed in idealized masculinity The book is based on a decades in depth study of the Blades a group of football fans supporting Sheffield United who are notorious for their hooliganism It contributes to the debate on football hooliganism by challenging many traditionally held notions of hooliganism and by providing the first anthropological study of football violence The book also debunks the myth that violence between football fans is organized by generals operating within hierarchically structured groups Falsehoods such as this it is argued are advanced to augment the powers of the police and media in redefining and controlling particular groups of individuals whose behaviour does not fit easily within increasingly constrictive codes of social conduct This book represents essential reading not only for undergraduates of social anthropology sociology and criminology but also for the general reader with an interest in football culture International Journal of Contemporary Sociology ,1996 International Review for the Sociology of Sport ,2001 **New Zealand Journal of Psychology** ,1995 **Football Hooliganism** Roger Ingham,1978 *Understanding Deviance* David M. Downes,Paul Elliott Rock,1998 This is a completely revised and updated edition of *Understanding Deviance* a popular and accessible introduction to the principal theories of crime and social deviance in the European and North American context This third edition has taken into account all of the most significant developments since 1995 whilst retaining the clarity and economy of presentation of earlier editions From the reviews of the second edition It faced and still faces little competition as an intelligent wide ranging and thoroughly useful insight into the development of criminological thought British Journal of Criminology The Psychologist ,2005 **The Changing Face of Crime and Criminal Policy in Europe** Roger Hood,Nestor E. Kourakēs,1999 **Soccer Hooliganism** Denis Howell,J. A. Harrington,2013-10-22 Soccer Hooliganism A Preliminary Report focuses on the study of the intrusion of hooliganism into sports especially football This book begins with a description of the methods of inquiry that surveys and evaluates existing opinions regarding the problem of football hooliganism followed by a discussion of its extent and seriousness The nature of football hooliganism which includes rowdysim horseplay and threatening behavior foul support soccermania football riots and vandalism are also reviewed in detail Injuries resulting from hooliganism are also elaborated Other topics include the characteristics of convicted hooligans causes and epidemiology of hooliganism and ethological study of football crowds This text concludes with a deliberation of the control and prevention of hooliganism including a summary

of the main findings and recommendations of the problem This publication is suitable for specialists and medical practitioners concerned with the psychiatric studies of convicted hooligans or misbehavior among spectators *Reversal Theory* Michael J. Apter,2007-02-15 In this authoritative work Michael Apter one of the leading figures in the development of reversal theory provides a clear systematic and up to date introduction to the theory **Sociological Abstracts** Leo P. Chall,2002 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers **Advances in Psychology** ,1988 **The British National Bibliography** Arthur James Wells,2006 **ANZJS** ,1988
