Understanding Conservative Judaism:

Understanding Conservative Judaism Robert Gordis, 1978 [Routledge Handbook of Jewish Ritual and Practice](#) Oliver Leaman, 2022-07-08 Ritual and practice are some of the most defining features of religion linked with its central beliefs. Discussing the wide range of Jewish ritual and practice, this volume provides a contemporary guide to this significant aspect of religious life and experience. Drawing on a wide range of disciplines, this volume describes not only what takes place but the reasons behind this and the implications both the theory and practice have for our understanding of Judaism. Organized in terms of texts, periods, practices, languages, and relationships with the other, the book includes accounts of prayer, food, history, synagogues, and the various legal and ideological debates that exist within Judaism, with the focus on how they influence practice. Coming at a time of renewed interest in the role of the body in religion, this book aims to bring the theoretical and scriptural issues which arise in this area of Jewish life and culture up to date. This volume is aimed at students and researchers working in Jewish studies, specifically, and religious studies in general. Designed to be helpful to those on courses in relevant areas, especially in the United States, this book includes substantial bibliographical material. **Studies in**

Contemporary Jewry Eli Lederhendler, 2001-12-20 Bringing together contributions from established scholars as well as promising younger academics, the seventeenth volume of this established series offers a broad ranging view of why Judaism, a religion whose observance is more honored in the breach in most western Jewish communities, has garnered attention, authority, and controversy in the late twentieth century. The volume considers the ways in which theological writings, sweeping social change, individual or small group needs, and intra-communal diversity have re-energized Judaism even amidst secular trends in America and Israel. **Who Owns Judaism?** Eli Lederhendler, 2001 This collection of articles offers a broad ranging view of why Judaism has recently garnered so much attention, intellectual interest, and controversy. **The**

Jewish World In Modern Times Abraham J. Edelheit, Hershel Edelheit, 2019-09-10 The momentous events of modern Jewish history have led to a proliferation of books and articles on Jewish life over the last 350 years. Placing modern Jewish history into both universal and local contexts, this selected annotated bibliography organizes and categorizes the best of this vast array of written material. The authors have included all English language books of major importance on world Jewry and on individual Jewish communities, plus books most readily available to researchers and readers, and a select number of pamphlets and articles. The resulting bibliography is also a guide to recent Jewish historiography and research methods.

Encyclopedia of Religious Controversies in the United States Bill J. Leonard, Jill Y. Crainshaw, 2012-12-05 This book provides a thorough introduction to historical and contemporary issues in American religion, tackling controversial hot button topics such as abortion, Intelligent Design, and Scientology. Surveying key aspects of the controversial issues, persons, and religious groups of today, *Encyclopedia of Religious Controversies in the United States*, Second Edition, is a thorough update and expansion of the first edition of this book. This two-volume work contains many new entries that reflect current 21st

century religious controversies Written by a variety of scholars with varying specializations the content covers major people ideas terms institutions groups books and events The A Z format allows for easy location of materials a chronology of developments and events enables readers to trace the development of contentious topics over time and a section of primary document excerpts gives readers further perspective on the issues

The Oxford Dictionary of the Jewish Religion Adele Berlin,2011 Hailed by Library Journal as the best ready reference access point to the Jewish religion and as essential by CHOICE in its First Edition The Oxford Dictionary of the Jewish Religion has been the go to resource for students scholars and researchers in Judaic Studies since its 1997 publication Now The Oxford Dictionary of the Jewish Religion Second Edition focuses on recent and changing rituals in the Jewish community that have come to the fore since the 1997 publication of the First Edition including the growing trend of baby naming ceremonies and the founding of gay lesbian synagogues Under the editorship of Adele Berlin nearly 200 internationally renowned scholars have created a new edition that incorporates updated bibliographies biographies of 20th century individuals who have shaped the recent thought and history of Judaism and an index with alternate spellings of Hebrew terms Entries from the previous edition have been be revised new entries commissioned and cross references added all to increase ease of navigation research The Dictionary covers more than three millennia of Jewish religious thought custom law and practice from traditional approaches to Reform Conservative Reconstructionist and post denominational Judaism Brief definitions and longer essays all supplemented with bibliographies enlighten readers about the major figures folklore and events in the history of Judaism throughout the world

Torn at the Roots Michael E. Staub,2002 In this fascinating history of the genesis of the backlash against Jewish liberalism Staub recounts the history American Jews who advocated Palestinian statehood showing how ideology has split the Jewish community

Community and Polity Daniel Judah Elazar,1995 An update and revision of the original 1976 edition This study presents a two fold discussion a basic survey of the structure and functions of the American Jewish community and a suggestion as to how that community should be understood as a body politic a collective unit that is not a state but is no less real from a political perspective
