Television Courtroom Broadcasting Effects Paul Lambert, 2013-07-05 Court and policy makers have increasingly had to deal with and sometimes even embrace technology from podcasts to the Internet Televised courtroom broadcasting especially remains an issue The debate surrounding the US Supreme Court and federal courts as well as the great disparity between different forms of television courtroom broadcasting rages on What are the effects of television courtroom broadcasting Does research support the arguments for or against Despite three Supreme Court cases on television courtroom broadcasting the common thread between the cases has not been highlighted The Supreme Court in these cases maintains a common theme there is not a sufficient body of research on the effects of televising courtroom proceedings to resolve the debate in a confident manner

Blaming the Victim Jairo Lugo-Ocando, 2014-12-20 Poverty it seems is a constant in today's news usually the result of famine exclusion or conflict In Blaming the Victim Jairo Lugo Ocando sets out to deconstruct and reconsider the variety of ways in which the global news media misrepresent and decontextualise the causes and consequences of poverty worldwide The result is that the fundamental determinant of poverty inequality is removed from their accounts The book asks many biting questions When and how does poverty become newsworthy How does ideology come into play when determining the ways in which poverty is constructed in newsrooms and how do the resulting narratives frame the issue And why do so many journalists and news editors tend to obscure the structural causes of poverty In analysing the processes of news production and presentation around the world Lugo Ocando reveals that the news makers agendas are often as problematic as the geopolitics they seek to

represent This groundbreaking study reframes the ways in which we can think and write about the enduring global injustice of poverty
