The new edition further adds a series of study guides delving into the key clauses of each of these agreements, so that the reader will have the knowledge necessary to negotiate and draft each of the agreements covered throughout the book. In particular, this 2nd Edition includes detailed exploration of non-traditional revenue agreements, such as sports venue concert agreements and celebrity softball game agreements, so that year-round revenues of a facility or venue can be maximized for the sports venue owner, operator and counsel. Negotiating and Drafting Sports Venue Agreements is the third in a series of sports law books written by Professor Carfagna, who is the former Chief Legal Officer at IMG and who has been a Visiting Lecturer on Sports Law at Harvard Law School since 2006. His other two books, also published by West Academic Publishing, have already been published in 2nd Editions: The Legal Evolution of America's Three Major Leagues and Representing the Professional Athlete. This 2nd Edition of Professor Carfagna's Negotiating can now be used in tandem with his most recent West Academic publication to create a core Sports Law Curriculum that covers virtually all aspects of sports law-including in this most recent 2nd Edition the unique negotiating and drafting practices necessary to succeed as a full-service sports lawyer.
