Very First Christians Hardback:

The Very First Christians Paul L. Maier, Frank Ordaz, 2001-01-01 12 year old Christopher entreats his grandfather to tell him about Peter Paul and the very first Christians

Constantine and the Christian Empire Charles Odahl, 2010-07-02 Drawing on over a quarter of a century of the author's research and experience this book focuses on the man and his life for scholars students and those interested in Roman imperial early Christian and Byzantine imperial history It is illustrated with ninety two photographs and eight maps

Jews and Christians in the First and Second Centuries: How to Write Their History Peter J. Tomson, Joshua J. Schwartz, 2014-08-21 The papers in this volume are organized around the ambition to reboot the writing of history about Jews and Christians in the first two centuries CE Many are convinced of the need for a new perspective on this crucial period that saw both the birth of rabbinic Judaism and apostolic Christianity and their parting of ways Yet the traditional paradigm of Judaism and Christianity as being two totally different systems of life and thought still predominates in thought handbooks and programs of research and teaching As a result the sources are still being read as reflecting two separate histories one Jewish and the other Christian The contributors to the present work were invited to attempt to approach the ancient Jewish and Christian sources as belonging to one single history precisely in order to get a better view of the process that separated both communities In doing so it is necessary to pay constant attention to the common factor affecting both communities the Roman Empire Roman history and Roman archaeology should provide the basis on which to study and write the shared history of Jews and Christians and the process of their separation A basic intuition is that the series of wars between Jews and Romans between 66 and 135 CE a phenomenon unrivalled in antiquity must have played a major role in this process Thus the papers are arranged around three focal points 1 the varieties of Jewish and Christian expression in late Second Temple times 2 the socio economic military and ideological processes during the period of the revolts and 3 the post revolt Jewish and Christian identities that emerged As such the volume is part of a larger project that is to result in a source book and a history of Jews and Christians in the first and second centuries

The Rise of Christianity W. H. C. Frend, 1984-01-01 Traces the early history of the Christian church from Jewish Palestine prior to Christ's birth to the sixth century monastic movement and explains how Christianity survived under a variety of cultures

Early Christianity in Macedonia Julien M. Ogereau, 2023-10-09 In this volume Julien M Ogereau investigates the origins and development of Christianity in the Roman province of Macedonia in the first six centuries CE Drawing from the oldest literary sources Ogereau reconstructs the earliest history of the first Christian communities in the region and explores the legacy of the apostle Paul in the cities of Philippi Thessalonica and Beroea Turning to the epigraphic and archaeological evidence Ogereau then examines Christianity's dissemination throughout the province and its impact on Macedonian society in late antiquity especially on its epigraphic habits and material culture
